Xia and Nakeem had the kind of love that inspires poetry and songs. A deep and abiding commitment to each other that overshadowed everything and everyone else. The two young lovers wanted nothing more than to get married after high school and begin their charmed life together. However, life happens, and sometimes the strongest bond can be broken.

A tragic event and a misunderstanding cause Xia and Nakeem to lose each other and go on to lead separate lives with new loves. Years later, fate brings them back into each other's lives. The situation is complicated by a business relationship between Nakeem and Xia's husband, not to mention the part of their history that will forever bind them.

It is said that true love never dies, but are Xia and Nakeem willing to die for love?

A Hood Rich Thug Gave Me Love

Davonte was running more game than a little bit. He constantly took Xia for granted and truly didn't deserve her. Xia's mom had issues and I'd like to know exactly why. Wakeem put Nakeem in a bad position so many years ago. It was long overdue for Nakeem and Xia to reunite because they were merely existing without the other in their life. Georgia was messy and needed to mind her business if she wasn't going to call her son out on his wrong as well. Davonte could dish the dirt but couldn't handle the consequences of it being brought to the light. Milina is really in her feelings?! Wakeem needs to get a grip on his life before he loses so much more. That ending got me looking at Milina a little sideways but part 2 will reveal if she's on any bs. At least Xia and Nakeem will be able to get things on track although there may be more interruptions. #770

Good Read

Held my attention from beginning to end and what a ending. Enjoyed the storyline, plot and these characters. So loving the twins and their crazy behinds. Love Xia and Nakeem they had young love, lost touch and rekindled their love. Due to a misunderstanding they lost 5 years and Keem knowing his daughter. Loving where their relationship is going. Now Davonte was a piece of work and I knew he wasn't no good and up to something. Due to all of his cheating wondering with of his baby mommas had him killed or killed him. Can't wait for PT.2 to see what happens next. Job well done Ebony Diamonds.

Wow that ending though. Davonte wasn't playing no games he was just a rolling stone. It's crazy how Xia and Nakeem got back reunited but I'm glad they did because Nekia needed to know who her father was. Wakeem is in a whole heap of trouble with all the different women he dealing with. About to see what part 2 is about

Years down the road Nakeem and Xia are you noted but it's not a happy reunion and xia has a new life and a secret. Hurry up part 2.#770

Things just got real messy!!!!!!

Xia and Tommie's mother was a trip, I wouldn't of helped her. Q was just slinging ? all over the place. I have a feeling that both Wakeem and Naseem about to be blamed..who did it???????

Ready for pt 2

I love Nakeem and Wakeem. They kept me laughing the whole book. Xia was loyal to a fault. She loved hard and that same love betrayed her. Wakeem was just plain rude, but hilarious. The book was a good read from the beginning. I can't wait to see what happens in pt 2.

Monisah says

I embarrassed myself

Havent finished yet

I haven't finished the story yet, but I had to stop real quick because I'm hella confused right now. First what is Xia's daughter name? First it was kemia and then she was calling her nekia. Then I'm thinking when it got to nakeem's chapter he would explain his reason for storming off like he did, but it didn't. His story didn't add up to the story Xia told at all. She claim she saw him and he was pissed before he left, but according to his chapter he never saw her before he left. So which one is it, because I feel so lost right now? I haven't even made it to the middle of the book yet, but the way the beginning is going it's not a good look. I am gonna read a little further to see if it starts to make sense or at least is the stories gonna add up because as of right now it's not.

Oh lordt?????????????????

Ok now!!! I'm soooo bothered that Nakeem and Xia lost touch like that over a misunderstanding. I couldn't stand Xia mom she wasn't ? not even after what happened to her. I started to get annoyed with Xia. Devonte definitely was trash. Wakeem was a straight mess and I couldn't believe Milian. I'm not sure how all this is about to unfold, but I can't wait to find out.

??

This book held my attention from the very beginning until the end that's how good it was. I don't fell in love with the twins especially Nakeem that's Bae right there. I love his an Xia relationship from the jump as well and the fact that they fell out cause of one stupid misunderstanding and then found their way back to each other is priceless. Now the big question is who did that to Devonte oh well he deserved everything he got with his snake ass. Anyway can't wait til part 2 drops cause it's about to be on an popping ?

Rena says**Drama filled**

This story has some of everything. It is definitely drama filled. I can't believe how her mom treated her, that is hurtful. It is crazy how all of them are connected.

Angela Taylor says**Wow**

This series is gonna be lit. I hated Xia mom was doin her the way she was. And then in the end it was Xia blood that saved her. Keem and Xia went through so much cause of her mom. And I pray they find the right people who killed Q snake ass. I'm wondering did Xia dad come in town and do it lol. Sitting here patting my feet while sipping on Pepsi and eating popcorn while waiting for the next book
