## Arsène Lupin in the Teeth of the Tiger Maurice Leblanc

Another action-packed mystery by Maurice LeBlanc! This story has to do with the final Will of a man named Mornington, who, in the year 1900, left behind the sum of \$400 million francs. Of that, three-fourths went to his adopted country - which left \$100 million francs to be distributed to his heirs. The executor of the estate was Mornington's friend, Don Luis Perenna (AKA Arsene Lupin). The problem, however, was that no one knew where (or even who) some of the heirs were. If no heirs were to be found within 3 months, the entire \$100 million francs would go to Perenna. And Perenna/Lupin had a reputation as being something of a rogue. It is definitely a race against time, as the heirs seem to be turning up dead at an alarming rate.

## From Reader Review Arsène Lupin in the Teeth of the Tiger for online ebook

### Tatra says

An interesting mystery. Lupin was there the whole time, so that was fun.

### Aviar Savijon says

With Arsene Lupin you get a full and unwinding investigation for a string of murders and the reason they happened in detail and with the journey it took to find out why. I loved it!!

---

### Maria Cerase says

Interesting and unusual machination. Too long monologues of Lupin though...

Well this was certainly a fast-paced and a quick read, a story full of plot twists and cliffhangers while the bodies kept piling up. Not very believable, though, but I guess the readers at the time didn't mind.

Unfortunately all those twists and turns didn't give much time to spend with the characters, they all just seemed to be quite passionate. Stereotypically French, I suppose. The story was interesting enough.

In this book Lupin was mainly on the right side of the law, making the novel a more typical murder mystery. I have read a couple of other books about Lupin as a child but don't really remember much about them. Maybe I have to read some of the early works to find out how I really feel about Gentleman-Thief Lupin.

Tämän kirjan käännös oli harvinaisen huono. Arvelen, että kyseessä on alkuperäinen suomennos vuodelta 1922, sillä sanavalinnat tekivät lukemisesta välillä jopa huvittavaa. Todennäköisesti "object" oli nimittäin suomennettu usein "esineeksi", vaikka yleensä ollaan tutkinnan "kohteena". Jopa ranskaa osaamaton olisi voinut korjata tekstiä, ehkäpä ongelma olikin ollut suomentajan heikko suomen kielen taito. Usein tuntui, että sanakirjasta oli valittu se ensimmäinen vaihtoehto riippumatta siitä, sopiiko se lauseyhteyteen.

Probably one of the best stories in Arsene Lupin series. The readers will be attracted by the story right after they had started reading, and there is no doubt that they will be surprised at the end of the story. Therefore I recommend this book if you are looking for mysterious book which is high-quality in its contents.

## Laura says

Something happens to the Lupin books postwar. Lupin returns from his Reichenbach a real jerk, and the stories are darker-- not to mention the really gross racism that Leblanc feels compelled to slosh all over the place. Not so much of a fan of the later ones, this included.

## Marts (Thinker) says

A murder mystery or maybe I would be more accurate if I considered it a multiple murder mystery... Of course the 'goodly' Lupin secures his place at the forefront of proceedings with his crime solving methodologies...

A rather exciting tale I must say...
