Bastial Frenzy B.T. Narro

As the momentum of war builds, desperation to win dominates the whole continent. How far will each army go when honor becomes nothing more than a weakness? The final battle approaches, but not before a brutal betrayal is revealed that leaves even the Krepps in shock.

From Reader Review Bastial Frenzy for online ebook

Larry B Gray says

Bastial Frenzy is a fantasy novel which will grab you by the seat of the pants and refuse to let you go. As the title says, it is a frenzy of adventure and action.

I really enjoyed the way the author continued to develop his tale of adventure in The Rhythm of Rivalry Series (Bastial Frenzy is book 4). The storyline is well developed and continues to grow in both suspense and excitement. I love a story which I can put myself into and follow the heroes in the story as an unseen character and this book is just that type of read.

B.T. Narro has done an excellent job of developing characters that are both believable and easy to identify with. As the series has grown and become more complex so has each of the main characters. In Bastial Frenzy we continue to see each of the characters mature and their true strengths emerge.

I really enjoyed reading Bastial Frenzy by B.T. Narro and I highly recommend this book to all readers.

[Please note: I was given a free copy of this book in exchange for my honest review.]

Brooks Hebert says

I love these books so much! I want more people to read and create fan art bc I don't know how. So please make some fan art

Stephen says

As the momentum of war builds, desperation to win dominates the whole continent. How far will each army go when honor becomes nothing more than a weakness? The final battle approaches, but not before a brutal betrayal is revealed that leaves even the Krepps in shock.

Alot of action, plus twists and turns glore. I think this is the best book of the series so far. Keeps you reading. You will enjoy this series. Great Reading Everyone!!!!!!!!!!!!!!

T. Norman says

Bastial Frenzy was an ending to much of the story that we follow through the Rhythm of Rivalry. It moved at a fast pace, covering a lot of distance both physically and metaphorically. There were parts that seemed a bit rush while others had more attention than necessary. Overall, this was a satisfying ending to the series. While there is one more book, that I have already finished while writing this, Bastial Frenzy is the ending to the story we wanted.

Avery Hyaes says

Great Book

It was a fantastic book, and held my interest throughout. I will definitely get the next book in the series.
