# From Reader Review My Love Story!!, Vol. 2 for online ebook

## Ady Weasley says

Me encanto esta historia, conseguí este tomo por casualidad, había escuchado de él pero no me animaba.

Es muy divertida , con un protagonista fuera de lo común lo cual es la esencia de la historia. Me hizo reír mucho.

Takeo es súper divertido, Yamato es muy dulce y Suna es misterioso una triada única

---

## Nicole says

Yamato and Takeo are the sweetest, most heart-melting couple in all of shoujo manga, and the fact that they get together as early as the first volume so we have time to see them go through other relationship things is a wonderful divergence from shoujo manga norms.

Suna is the most relatable character I have every read in anything ever and I love him. It's super rare for my very asexual ass to identify with a character this strongly, especially in a romance story .

---

## Meepelous says

The goodness only seems to continue with this volume and perhaps even gather momentum! Because in this volume we not only get to follow on with Takeo and Yamato as their love continues to bloom but we also get to meet a few more side characters, including Takeo's mother.

Takeo's mother, Yuriko G?da, was a real breath of fresh air for me because, despite the fact that she resembles her super manly son in many ways, she is also a very recognizably good mother - plus she's pregnant - juxtapositioning manly and feminine in playful easy going ways. In contrast to Yuriko we also meet Makoto Sunakawa's father who has apparently always been a very gentleman who is also very fragile and sickly.

And while Takeo and Yamato's relationship is still overflowing with naive new relationship energy Kawahara effortlessly (obviously) manages to keep my own person cynicism in check. This is certainly not because Takeo and Yamato somehow manage to avoid every single romantic cliché and trope, but rather because Kawahara has them make mistakes and then has them learn from them in a way that (at least for me) did not come across as overly preachy. They are still very flawed characters, while still managing to be super fluffy and the overly dramatic poses that Aruka keeps drawing Takeo in are hilarious.

---

## Amber says

I've abandoned my plans for the day. See me read this series all the way through before I even put on day-clothes and go for my job. ; ;

Is there anything more to say? I mean, it's still just as adorable as the first, so ONWARD!

---

### **Neko Neha (BiblioNyan) says**

While things are still fluffy and adorable, serious issues are also brought up. But overall there's just so much warmth and compassion in regards to friendship in this volume, I can't help but swoon.

---

### **David Schaafsma says**

Second volume of maybe the most adorable shoji/romance manga I have read so far (which is not THAT much, but this one stands out for me). We have three central characters, Takeo, a 6'6", 265 pound guy who is all heart but not a likely romantic lead. He intervenes on behalf of (petite) Yamato who is being bothered by some guy on a train; she makes him a dessert to thank him, and she begins to like him. Takeo assumes she would prefer his typically gorgeous best friend, Sunakawa, but nope, Takeo and Yamato fall surprisingly in love, which creates some occasions for sweetness and comedy.

In this volume two roadblocks in their budding relationship occur; 1) Takeo has to be gone for a sumo wrestling tournament for a month, and 2) after planning a birthday for Yamato, Takeo has to be at Sunakawa's side as his dad has emergency surgery. You may wonder whether they weather these storms, but there ARE multiple volumes of this series. The relationships between each couple and between all three of them are sweet and fun, and there is some growing interest in just what might be the object of Sunakawa's affections.

### **Crispitina30 says**

No hay palabras para describir todo lo que me hace sentir este manga...¡No las hay! **EL MEJOR SHOJO DEL MUNDO.**

---

### **Bookishrealm says**

This was AMAZING. I love the dynamic of friendship between friends and romantic interest. It's nice to see such a healthy relationship displayed for all readers. They're just so cute and I love that they are willing to sacrifice to make sure they are happy as well as their significant other. I won't go into much detail because this is the second volume but just know that I truly enjoyed every single page of this volume and I can't wait to get to the next one.

---

### **Hà Linh says**

t?p 1 còn h?i ghê r?ng vì ng?t quá mà sang t?p 2 còn ng?t h?n mà ng?t nh?t là tình b?n gi?a hai ông t??ng Takeo và Suna ahihi

thôi th? là ta bèn xãi vì ?áng iêu quá tr?i ??t q?i

---

### **Nicola Mansfield says**

I've had the pleasure of reading Vol. 1 & 4, and now find myself backing up to fill in the blanks. This is such a sweet, naive and innocent love story between a big burly, not so attractive teenager and a quie, cute petite girl. They are madly in "innocent" love with each other and in this volume are starting to learn what being boy/girl -friend is all about. Caring, respect, honesty and trust. This volume is quite episodic with some hilarious scenes especially involving Takeo but there is heart here too and it's just so sweet.

---

### **Sarah Hayes says**

So I pretty much cried a little at every chapter. Everything about this manga hits me right in the heart. I love Takeo and Yamato. I love Takeo and Sunakawa. I love Takeo and Yamato and Sunakawa. I love how supportive they are of each other. I especially love that romance doesn't shaft friendship or vice versa, and that Sunakawa actively helps Takeo's relationship with Yamato. I also kinda love the work uniform Takeo wears for his part-time job ♥ I'm so very glad I am still reading this series!

---

### **Holly Letson says**

Takeo and Yamada's sweet love continues. This time, Takeo promises her to spend all day with her on her birthday, but ends up not being able to, since Suna's father is having surgery that day. I thought it was sweet that Yamada didn't get upset with him, when he told her that he had to go.

---

### **Renay says**

Seriously, this manga is so cute and heartwarming along every axis of romance/friendship that exists. MY FACE HURTS FROM GRINNING THE WHOLE WAY THROUGH.

---

### **Angie says**

Their first hurdle overcome. Love it! It wasn't even a real hurdle thanks to... never mind.

Volume 2 has kept up with volume one, and I am happy to report that the giggles continue to come in this one. As well as some maniacal laughter that made my husband glance at me curiously.

I haven't enjoyed something this precious and adorable for a while.

---

**Anastasia says**

Y nunca me cansaré de decir que toda esta historia es divertida y adorable.
