## **Smith Wigglesworth: Apostle of Faith** Stanley H. Frodsham

Whenever he appeared--a railway coach, a dirt road, a luxurious suite, a poor church--Smith Wigglesworth's missionary zeal was always at work for the sake of others in a constant affirmation of God's love and the presence of the Holy Spirit.

### **Stephen says**

Incredible records of believing God's Word. A remarkable book.

---

### **Cristin says**

Let's bring people to Christ!

---

### **Rubin Carpenter says**

I HAVE READ THIS BOOK SEVERAL TIMES AND CURRENTLY READING IT AGAIN AMAZING SPIRITUAL DEPTH YET SIMPLE AND A INSIGHT INTO SMITH WIGGLESWORTH'S LIFE ONE OF MY FAVORITES

---

### **Joanne says**

I've read this book more than once. It is inspirational and humbling. I highly recommend this book to anyone in need of a miracle. These testimonies are not about things that happened 2,000 years ago but ones that occurred in the past 100 years. Amazing!

An inspiring account of a simple man with an extraordinary faith

Before word got out that a plumber in Bradford, England was performing miracles and wonders, Evangelical faith healer Smith Wigglesworth (1859-1947) was living a quiet life. His message was simple: the Bible was the only book that anyone need read, belief in the healing efficacy of Jesus Christ would cure anyone. Like Saint Paul before him, Wigglesworth traveled near and far healing the sick and the lame and winning thousands of converts for Christ.

Frodsham's laudatory biography has what you would expect from a book of this kind: the miracles and testaments of dozens of people who had lost all hope before giving their life over to God. While the stories are certainly amazing in themselves, I found the real contribution of Frodsham's account to be in the *how*. In the subtext of many of the chapters and in two chapters in particular ("His Secret of Spiritual Strength" and "The Challenger"), Wigglesworth explains how God is able to do these extraordinary things in women and men. No spoiler alert here because you've heard it all before: Belief in and obedience to the Word of God. Faith can move mountains.

### **Isaac says**

Fantastic;

As for the content: Smith Wigglesworth was a powerful minister of the full gospel message in the early 1900's. Many, many healing miracles occurred in his ministry along with other signs and wonders.

This is a particularly good biography of Wigglesworth as the author was a friend of he, and his family. As such, much of the book is actually autobiographical, and that which isn't include testimonies of his close friends and relatives (including James Salter, Smith's son in law, who was an early missionary to the Congo, and also travelled extensively with Smith). The book also includes testimonies of men and women affected by Smith's ministry in their own words.

Another excellent glimpse into Smith Wigglesworth is 'Pioneers of Faith,' by Dr. Lester Sumrall, in it Sumrall gives brief biographies of many early ministers (each of which he knew personally) of the latter rain outpouring of Pentecost, including Smith, his son in law James Salter, and the author of this book: Stanley Frodsham. In it Dr. Sumrall shares his experience with Smith at his home in England just before World War 2.

Excellent, excellent books.

### **Steve Scott says**

Simply inspiring! That such a simple man, who unceasingly sought after God in prayer, could have such an impact on lives merely by his intersecting theirs; it makes one wonder just what God could do with an entire church of ones such as Smith Wigglesworth. And it also makes one wonder where, exactly, that church is today.

If My People . . . A 40-Day Prayer Guide for Our Nation

---

### **Robert Moss says**

love Christian biographies. found this book for a .25 at a thrift store.

---

### **Mjpablo23 says**

This was the last complete book I read. It was about healing through the power of Jesus Christ, and how God used Smith Wigglesworth to affect many people's lives. It was an encouragement to one's faith.

---

**cloudyskye says**

How could I give less than 5 stars? A totally amazing biography, a testimony of how great our God is. A quick read, too, because I couldn't put it down (I had to, sometimes). As edifying as Georg Müller's story, about faith, healing and living a joyful and victorious life in God's presence.
