It was okay but I still hate how KirKman came up with Ezekiel's into the story to kill Negan ... -\_- and so the king was a zookeeper before all this shit ! anyway Spencer had it coming. I hope the rest of the story gets better.

I've gotten to where the villains interest me more. Guess it's all downhill from here. Great dialogue with twists. I'm wondering if Ezekiel will prove to be the shark jumper of this series.

---

### **Vikas says**

Negan comes to the settlement and does something totally unexpected yet again. I just love the walking dead series and love all the tension and build up spread over the series.

I liked the little bit of normalness between Rick and Andrea and I'm glad that they're gonna leave the door open to their room, to keep an eye on Carl. Also to keep an eye out in case anyone else gets in.

I think Michonne's really starting to like Ezekiel. I also think she's a bit over cautious, sleeping with her sword right on top of her body. What if she moves wrong during the night and ends up stabbing herself?

Aww, Carl's just so fucking adorable, wanting to see the tiger. He's finally acting like a kid his age and it's kind of sweet. Though I agree with Rick that they should go back to bed and see the tiger tomorrow. They'll need their rest.

The argument between Jesus and Gregory was a long time coming, in my opinion. Gregory is just a useless old prick who needs to be killed off. He's just a waste of a person, since he doesn't have any skills besides being an ass. And by the way, JESUS is right. HE's the one protecting the community. Not Gregory.

I'm laughing and enjoying the conversation between Brianna and Maggie. I'm glad that they're spending some time together, and getting to know each other and becoming friends.

Rick and Andrea's conversation was good. I like that they're discussing the amount of people they have, the possible bit of ammunition that hopefully Eugene will be able to make for them. And Andrea bringing up the tiger made me grin.

I'm glad that they have Andrea and Michonne training with some of the people of the Kingdom. It'll be good to know how many people can fight, and how many still need to be trained so they can all take on Negan and his men.

Okay, so Jesus, Rick, Michonne and Andrea talked about the three communities and that they all have some good fighters and shooters to offer, so I'm glad about that. It makes things a little easier.

I like that they're talking about attacking the outposts. The more of Negan's men they take out as soon as possible, the less there will be to hopefully deal with when it comes time to take down Negan himself.

I'm glad that Rick wants to bring some supplies back to Alexandria. I'm sure they need it and more, right now. I'm sure that Negan and his asshole men will be banging on the door any time now.

Oh, I was right. And man, is Negan ever a damn asshole. I can't believe he would talk to a woman that way, saying bad shit about her weight. I kind of want that woman to shoot him in the face.

Holy shit! I can't believe Olivia slapped Negan and he didn't shoot her right then and there. Gross, and when Negan said he was 50% more into her after she slapped him, it made me want to barf.

Spencer's a fucking MORON for approaching Negan. I'm surprised he hasn't said something to make Negan kill his ass yet. Oh well, it's only a matter of time. I'm sure he'll say something stupid soon.

God, Spencer is SO fucking DUMB! I can't believe he's crying to NEGAN of all people because Rick's in charge. And the shit that he's saying could end up getting Rick killed. God, I hope Negan kills Spencer.

HOLY MOTHERFUCKING YES!! That stupid asshole Spencer is dead! It's about fucking time. I hate the Spencer character and am SO glad that he's dead. Sure, Rick will be pissed off, but he'll get over it. Spencer was a useless coward.

### **Yolanda Sfetsos says**

Yikes! This felt like another building-up-to-some-serious-shit Issue.

Rick is still staying in Ezekiel's Kingdom, where they're building up a small army and getting ready to strike. Michonne's acting a little strange, and I'm pretty sure I know why. ;) And while Rick's away, Negan decides to pop in a few days early... and in the process just can't keep his knife in his pants. Although, Spencer had it coming, I think.

I can't wait to see how this battle turns out...

I hate Negan! Somebody please kill him!
