These Divided Shores Sara Raasch

The thrilling sequel to *These Rebel Waves*—full of deadly magic, double crosses, and a revolution—from Sara Raasch, the bestselling author of the *Snow Like Ashes* series.

As a child, she committed unforgivable acts to free Grace Loray from King Elazar of Argrid. Now Elazar's plan to retake the island has surpassed Lu's darkest fears: he's holding her and his son, Ben, captive in an endlessly shifting prison, forcing them to make a weapon that will guarantee Elazar's success. Escape is impossible—unless Lu becomes the ruthless soldier she hoped never to be again.

Vex failed to save Lu and Ben—and that torments him as much as his Shaking Sickness. With the disease worsening, Vex throws himself into the rebellion against Argrid. The remaining free armies are allied with the stream raider syndicates—and getting them to cooperate will take a strength Vex thought burned on a pyre six years ago.

Imprisoned, betrayed, and heartbroken, Ben is determined to end his father's rampage. Watching Elazar sway the minds of Grace Loray as he did those of Argrid, Ben knows he has to play his father's game of devotion to win this war. But how can a heretic prince defeat the Pious God?

As armies clash and magic rises, Lu, Vex, and Ben will confront their pasts . . . or lose their futures forever.

How long was it gonna be until someone told me there was a title and cover for this sequel to *These Rebel Waves*?

And after that massive cliffhanger on the first book too!

I wanna see some major-league ass-kicking in this book, too. Reylo-grade ass-kicking. We all know Raasch can make it happen!
