#### **I really love Jaquell's books**

Her stories are so captivating and relatable. I haven't claimed a favorite yet and I'm done with 2 books out of the three. I also love how most of the characters from some other series make an appearance..... happy reading

#### **Thug Love 2**

Lance finally found someone else he can give his heart too. Iasha seems to be a really lovely lady. Naomi and Justice is starting a family now a wonder how they all going to get along knowing Diamond daughter is his. Indigo needs to find out what going on with Malik before they walk down the aisle

#### **Thug Love**

This is a good story. I like a smart thug. I hate when all they do is "get paper". Lance and Justice have other businesses and goals and their women are independent also. They ball seem to be having their own share of troubles. I like how they interact as friends And couples. I was expecting a little more drama though. Something is missing. But I like the characters and am waiting for the next part. Kelli will be a problem and

Indigo's man seems sneaky. Will there be some issues between Diamond and Justice now? I gotta see.

Lance is caught up again with more drama so I hope Iasha and him make it. Hurry with part 3 please I'm needing to know what happened like now.

This book picked up right where part 1 lefted off. I'm so happy that Naomi & Justice are together. Lance is a loose cannon. My favorite character is definitely Iasha. Iasha she so interesting and definitely a breath of fresh air for Lance. This jaw dropping daughter of Diamonds was a big shocker. Am so ready for part 3. #PageTurner #ForSureJahquelFan

#### **Ugh**

I wanna know what Malik hiding soooo bad and it need to come out before the wedding. Please just let me know

### **M4queen says**

#### **Great follow up**

Still waiting to see what Malik is hiding hopefully it's not something that will hurt Indigo. She is such a rider she deserves to be happy. Lance is a hot mess for getting involved with Kelli and then raw. Really? That is such a no no and with his status he should definitely know better. I know that he was grieving and all but come on. Iasha has some serious considering to do. Naomi and Justice need to get it together. They are such a good fit but all that back and forth is just unnecessary. That's her heart and vice versa they just need to stop being childish, Naomi especially. I'm happy for Violet and Walt they seem to mesh well together too. Can't wait to see what happens when the women find out about these men and their new found children. Need part three like yesterday!

#### **Setup**

I thought Indigo was supposed to be with Lance. What curve ball is this. I know the characters take you where they want to go but then you should change your synopsis. My time is invested now....so I'll read part 3...
