Everything Is You Donna Hill

Jacqueline Lawson is a maverick focusing on her career abroad?a world away from the conservative Lawson dynasty. But when the award-winning photojournalist returns home to Baton Rouge after a high-stakes assignment, her parents welcome her back with open arms. But there's a shadow over Jacqueline's homecoming. She's hiding a secret?one she's determined to keep.

Raymond Jordan has sworn to uncover all of Jacqueline's secrets, and her on-again, off-again lover is the only man who has ever gotten under her skin. Raymond didn't follow Jacqueline back to the United States just to let her get away again. The freelance photographer has been by her side in the most dangerous places, and now he wants them to be a permanent team. The passion's as hot as ever between them. But love means putting yourself in the line of fire. Is Jacqueline ready to risk her heart?

Louise says

From the moment I begin reading this book I was unable to put down. Jacqueline Lawson the youngest and from the time she was small she felt like she was alone although she had two older brothers. Jacqueline has always been independent, free sprite person who never felt she needed anybody. Life has a way of making us think and see things differently when circumstance happen.

Raymond Jordan a freelance photographer who has been with Jacqueline through some of the most dangerous assignments and now when he is ready to open up his heart and let the woman know that he loves her something happen.

Jacqueline has this secret that she has been keeping from Raymond and the best way she felt she could deal with it was to leave him and boy does she. When Raymond returns and finds out that Jacqueline has left and he is angry and hurt.

Ms. Hill in Everything Is You takes us on a journey of forgiveness, trust and unconditional love. Jacqueline learns that everybody needs somebody even when they have convinced themselves that they don't. Secrets and the truth have to come out in order for this family to reconcile, Ms. Hill took us to Baton Rouge and revisited with the other characters that we love and can't wait to read about them.

Smooches

Louise

Felicia Brown says

This book showed me no matter what never shut family out. At the end of the day. Family is important. Jacqueline found out that her family never stop loving and caring about her. Ray Loved her though it all.

Harlequin Books says

Miniseries: The Lawsons of Louisiana

Nikita Isaac says

Loved it, can't wait until Rafe's story.

Malika says

For whatever reason, this took forever to read and didn't hold my interest...until I was on a 9-hr car ride.

Celeste says

In sickness and in health

Why let the past hold your future captive? That is the lesson for Jacqueline. As all the hard feelings that kept her from her family almost cost her the love of her life and her actual life literally. Raymond being who he is was just what the strong independent Jacqueline needed. Once loved over ruled stubbornness you see that all things work out for the good.

Dana says

Great read!

This book was good from beginning to end. The whole series about The Lawsons is pretty good. It's a great read!

Mukisa Kibaya says

Fearless

Jacquie's spirit and can-do attitude is inspiring to me. I am happy she got her chance at love with Ray even if she fought it for some time.

Shone says

Baby girl Lawson has always lived by her own rules. Traveling over the country to places known and unknown talking photos. She has now hit a brick wall will pride stand in her way of seeking help from her family?

Bless says

What a lovely book! It was everything you expected it to be. I learned that sometimes you have to soften up and put your pride aside to tackle the obstacle courses in life. Great job once again Mrs. Hill!

Linda Edwards-White says

OMG!

Girl, you really know how to break a sister down. There were so many familial touching, heartwarming, heartbreaking, and eye opening moments. This family's love relationships takes the reader to the highest heights and the deepest depths. I found myself: smiling, laughing, shedding silent tears, and reduced to gut wrenching sobs, where I actually had to stop reading, and Just. Give. In. I am so glad that I started reading this series. BRAVO! WELL DONE! KUDOS!

Deborah C. Fidderman says

Everything Is You

I loved the story of Jacqueline and Raymond. It proves it's not good to hold grudges against family because in the end, family is all we have. Of course when you have someone special who loves you that's a bonus. Highly recommend this book.
