## **High Risk** Carolyn Keene

It looks like Evaline Waters, a River Heights resident, is knee-deep in trouble. A huge corporation is suing her for her land; they want to tear down her house and put up a warehouse. And documentation of the zoning law that would protect Evaline's right to keep her land is missing. Figures! I've got to find that document, but it's hard to focus on the land when I'm cruising at ten thousand feet. See, Ned and I are taking flying lessons, him with Colonel Lang, a friend of his family, and me with Frank Beltrano, an instructor at our local airport. It's a good thing I'm good at juggling more than two balls at once. Too bad I'm not the only one.

### **Claire says**

a good mystery for the head

---

### **Olivia says**

It was a really good book.

---

### **Annanya Pandey says**

This book is really nice and fun-filled because it has a new twist in every step that Nancy takes and it shows many new characters too.

---

### **Prashansa says**

Mind blowing!! Frank Beltrano, though criminal, was a good teacher, for Nancy did a fantastic landing. The last part was really humorous, Evaline Waters got her property back by a race to the court.

---

### **Kaavia says**

The story goes on thrilling us. Nancy tries to help her neighbour's house from being taken away from her, and while searching for an ancient law associated with her case, but in the meanwhile, Nancy finds another case! all of these with high flying lessons!

The book interweaves two cases and the story comes out well planned.

### **Ami says**

I liked this book a lot more. It had more of the Nancy Drew elements that I really enjoy. She was not seeking a mystery but found one. She figures things out just in time. I really enjoyed this one.

---

### **K.L. says**

Nowhere near as good as the original series. In fact i doubt that the author actually read any of the originals as the girls personalities are totally out of whack! Bess a DIY enthusiast and Nancy a clutz? I think not!

Decent storyline though

### **Chandra says**

Took me a while to finish but it was a light, fun read. I don't know if it was just my copy but some words and names were misspelled.

---

### **Cindy says**

I think about this book as a good way to see people clearly and to know more about a detective work is done.

---

### **Paula says**

Awesome!!!! But sort of scary. Not really.

---

### **Madison V says**

Great :) two thumbs up

---

### **Sydney says**

this was a really good book, and there is a shock in the book

#### **A Quickie Review**

Not sure what I can say about this franchise that I haven't already said; it's a fun, cutesy, kid-friendly mystery...but, you already knew that, right?

**Score: 4/5**
