When I'm with You: When I'm Bad Beth Kery

Part 4 in new 8 part serial.

The next serial sensation from Beth Kery, New York Times and USA Today bestselling author of *Because You Are Mine*.

New York Times bestselling author Beth Kery's blistering new novel of a man and woman bound by the scandalous secrets of the past--and by the sexual hunger that still fuels their uncontrollable desires...

Restaurateur and self-exiled heir Lucien Lenault's first look at the breathtaking young chef trainee for his trendy Chicago restaurant is a shock. She's Elise Martin, daughter of a wealthy French fashion designer. She's also the holder of a secret that could explode his carefully laid plans.

Notorious for her flagrant exhibitionism, and for flouting the respectable façade of her aristocratic background, the coquaine's wild streak shocked most people. Not Lucien. He was tempted by it. It was a deliriously punishable offense as far as Lucien was concerned. But taking on Elise is more than a game. She's a catastrophe waiting to happen, an inferno that's burned many a lover. Lucien isn't most men, however, and he won't allow her to manipulate him. In order to control the defiant beauty--in order to see her submit--he's going to have to willingly walk in the flames...

More to come. Don't miss *When I'm With You*, Part II, available 3/12

Dear Reader,

When I'm With You continues the story begun in *Because You Are Mine*, although this time the camera lens is focused on Lucien and Elise, whose undeniable and scorching desire for one another burns away surface facades, revealing secrets that will forever change Lucien, Elise, Ian and Francesca's lives.

Please note that like *Because You Are Mine*, *When I'm With You* will be released in eight parts, each installment debuting weekly.

I hope you enjoy watching Lucien and Elise's romance unfold, seeing Lucien's immense control tried by the irrepressible Elise, while the self-indulgent Elise is challenged sexually and emotionally by Lucien into fulfilling her full potential as a giving, caring and vibrant woman.

Look for more of Ian's and Francesca's love story in *Because We Belong*, out in November of 2013.

Happy Reading!

~Beth

Lots of hot, descriptive sex. Nothing new is explained. Elise moves in with Lucien and he begins to train her to submit to him.

The Book Junkie Reads . . . says

Elise certainly shows how overly impulsive she is. It only took 4 complete parts for me to feel as if I am getting somewhere in this novella series.

Whtyac says

It was more sex than true storyline.

- ★ “Is that what you think?” he bellowed, sounding equally amazed and infuriated. “That I don’t notice you? That I could ever possibly ignore you when you’re near? Or even when you’re not? Impossible. I’m as likely to ignore you as I would a fire in the room.”
 - ★ Elise could tell by Kesara’s sleek form that she came from a family of racers, while Jax came from a long line of horses bred initially for the brute force and perseverance required on the battlefield, and in modern times for polo.
 - ★ Lucien’s father could have taught Machiavelli a few things.
 - ★ “You look radiant,” he murmured, caressing her. “It’s like holding on to sunshine, having you in my arms. “It must be the beauty rest you’re getting every night,” he said
 - ★ The air burned in her lungs. It hurt unbearably. It felt so good. She couldn’t hold it in any longer.
 - ★ sleeping, even when you were a child,” he said, as though he’d just remembered. “Your parents never gave you a bedtime. You were a law unto yourself in the nighttime hours, if I recall
 - ★ For a panicked moment when he narrowed his gaze on her, she wondered if he was practicing his mind-reading tricks again
 - ★ You’ll pay me back by being good. But I want to be bad.
 - ★ “How was I to know what you meant?” “Because I meant what most sane adults would mean,”
 - ★ “Is that what you think?” he bellowed, sounding equally amazed and infuriated. “That I don’t notice you? That I could ever possibly ignore you when you’re near? Or even when you’re not? Impossible. I’m as likely to ignore you as I would a fire in the room.”

FINALLY!!!! CLIMAX!!!

I'm not sure why, but When I'm Bad was way too short, in my opinion. I'm optimistic that Ms. Kery could have added more to these 2 chapters. Thankfully it was juicy.

It amazes me how eager Elise is to please Lucien despite her being inexperienced. I'm also intrigued how with the passing of time their relationship trust for each other has not progressed.

"

...I'm going to teach you to let go and relax . . . to begin to train you to my hand."

??No choice but to accept what I give you.

??Train you to my hand.

I honestly don't think Lucien realized the patience he was going to need when taking on the task of gaining Elise's submission. She enjoys, even goes out of her way to find ways to rebel. I've just chalked that up to the ignorance caused by her upbringing.

"His condominium was everything Elise expected it to be, given it was Lucien's lair—sensual, rich, masculine décor set within the ideal backdrop of the lake facing the east, and the labyrinth of sparkling high-rises to the north and the west. Of course, since it was Lucien, he was on the top floor of the building, occupying the premier penthouse" -

I also feel I need to put it out that I'm so over the alpha male living on the top floor of some jaw panty dropping penthouse.

Ooh Come On.....why am I torturing myself. Lucien is such an ass, there isn't anything likeable about him and Elise is just plain confusing. Losing my patience fast.

Each Installment just get's better and better!

Finally Lucien found out that Elise has no money and is living in a shit hole- Whew. Now this installment he finds out her other secret that she's virgin- Finally. Lucien does have a habit of not paying much attention to Elise even know he may be thinking about her he lack in showing her. This leads to Elise being bad which isn't necessarily a bad thing.

A really sexy, steamy, and erotic book. Again as with the first book with all the sex toys and the manner they are used to full fill a couples complete satisfaction. I mean this woman had at least 5 or more orgasms and she still is ready to please her man SOME MORE. I wish I was Elise but with all her stamina and strength plus more. The male character, Lucien is one really gorgeous man with a sexy french accent. He is also a bit of a Superman in bed. All I needed was for the Superman and Superwoman costumes to come off before preceding with all the love making.

Still a really good plot and worth the time. Do not wish to give it away it is a doozie.

I see that this book was at one time broken into novellas. I am glad I am reading this now and not then. I would have been suffering waiting for the next book to be released. I have all three books here with me now and ready to read and get to the end of the story.

Highly recommended.
