## **And The Beat Goes On** Abby Reynolds

Jeremy Clearwater is a successful businessman. Starting from nothing, he finished his education then created his own empire. At the age of twenty-three, he made his first million. Prudence idolizes him as a hero, and Jeremy is one of the most respectable bachelors in the city.

But he has a secret to hide...

After a traumatizing experience in his childhood, he's been a sex addict. Sleeping with a different girl every night, Jeremy is detached from any possible human emotion. The only attachment he has to anyone is his sister, his only family.

But when he's asked to teach a class at the university, he spots Athena.

Beautiful, graceful, and elegant, Athena is a classy lady with high morals. She's waiting for the right guy to make up for all the jerks she's dated before. One-nights stands are off limits for her.

When Jeremy realizes this, he knows he's wasting his time. But he has one problem.

He can't stay away from her. Is she the woman who can turn his life around? Can she get into his heart, thawing it from the ice?

# From Reader Review And The Beat Goes On for online ebook

## Norma says

This was the weakest of the four books. I was very disappointed as I was looking forward to Jeremy's story. He was supposedly a sex addict, but saying it didn't actually make it so. As soon as he met Athena, he was cured. Not such an addict then was he.

I wasn't sure what made Athena special as her personality was pretty wishy washy in the book and I couldn't see the point of the storyline with Athena's dad and her brother as her relationship with both didn't really have a conclusion.

The book meandered along, Jeremy fell in love, declared that love and then it ended.

## Pam says

And the Beat Goes On is the Serenade series #4 by Abby Reynolds. It is an erotic romantic novel. Abby has definitely saved the best for last.

Jeremy Clearwater has a problem. He is a sex addict. He has to have sex and lots of it but once he has a woman, he never goes back to her. He is a love 'um and leave "um guy. To be fair, he always tells the woman upfront that it is just sex and he will not call them again. Some believe him and some don't. He has no reason to change his life. He made his first million at age 23 and is one of London's more eligible bachelors at 25. He does a lot of charity work that most people do not know about. One of his college professor's comes to see him and asks him to teach one class at the college for a semester. This professor's job and pension rely on his doing this. Reluctantly he agrees. The first night of class, he sees Athena and is definitely attracted to her but knows he can do nothing due to their teacher/student relationship. That doesn't mean he can't buy one of her paintings and take her out for dinner. He begins to have funny feelings about Athena and finds he doesn't want sex with anyone else. Has he met his match?

Athena Riley is a senior with a business major and lots of art classes. She wants to be an artist but her father insists she run the carpet business with him. He sees her artistic bent as nonsense. Her brother Ken has gone into computers and has no desire to run the carpet business so it falls to her. Athena has no time for romance especially since she seems to only attract jerks. She sees that Jeremy is controlling and has no intention of getting involved with him. She has her own reputation to preserve. However, when Jeremy keeps behaving like a gentleman, he sneaks past her defenses and she falls in love with him. She knows it is hopeless but she intends to enjoy it for as long as she can.

---

## Nikki Malan says

Jeremy Clearwater is a sex addict. His rule, sex once and no follow ups. He is upfront with the women he takes home. He is 25 and very successful, one of London's eligible bachelors. One of his Professors is in a tight spot and Jeremy decides to help him by teaching for 1 semester at the University. In walks Athena Riley. She is everything he wants, but cannot have and yet he becomes obsessed with her. Can she be the one to cure him? Athena Riley life is anything but great. She is forced to do a business degree, instead of

following her heart, with her passion for Art. Her father wants her to take over the family business. The conflict between her father, brother and herself leaves her feeling alone. Not to mention, every boy only sees her as a sex object. Athena does not believe in one night stands and has to be fully invested in a serious relationship before she would do the deed. When she meets Jeremy he comes across as the perfect gentleman, but once she learns the truth can they save what they have? I enjoyed this book.

### **Kimberly Morrow howe says**

**absolutely awesome!!!**

I am super excited when I read this story! Jeremy deserved a little happiness and love in his life! Great ending to this series!

---

### **Linda says**

Abby, for me you definitely saved the best for last. Once I started reading this novel, I couldn't stop. The plot went into a total different direction than what I anticipated, and it was fantastic. I am not saying anything more, that would be a spoiler and the readers have to find out for themselves. Jeremy and Athena were to me even better characters than Pru and Cash and that is saying a lot. A five star rating is well deserved - congrats Abby! Luv, Linda - South Africa xxx

### **Christina Montminy says**

good story....a surprisingly difficult subject to talk about in the book, about a man with an addiction to sex & the woman who is responsible for his recovery. Meeting in the most unusual of places Jeremy & Athena meet at school where he is a professor teaching her class. He tries to stay away but he can't, he's drawn to her as she is to him. Fighting the urges he forges a relationship with Athena & bares his secrets. Athena while shocked can't give up on him & a new beginning comes their way. This book makes you think about the life an addict leads & how they handle it & also how the love of the right person can heal anything.
