## **Beach Flirts! 5 Romantic Short Stories** Lisa Scott

Amazon readers say: "...highly recommend and so hilarious that you'll wish flirting and romance were ALWAYS like this ;-)"

"You won't be able to stop at just one."

Beach Flirts! 5 Romantic Short Stories set in the summer sun on Cape Cod. Fun, sweet, and sassy love stories to squeeze into your busy life. Discover the loose thread that connects the stories and ties up in a perfect, happy ending.

Each short story is 9,000-12,000 words in length (or 36-48 typical book pages.) The entire collection is 52,000 words long, (or 208 pages.) Stories include:

### "Ex On The Beach"

She's trying to forget the fiancé who cancelled their wedding—until she sees her ex on the beach.

Heather should be celebrating her first wedding anniversary instead of the first annual Parker Family Reunion. Then she sees her ex on the beach—and he wants her back. Now, their two families will stop at nothing to get them together. But is it too late for love?

10,000 words, or 40 typical book pages.

### "She's Hot Now"

She never used to get a second look; now Natalie's the hottie on the beach. Can she handle the heat?

After a big weight loss, everyone's checking out Natalie. She's not comfortable being the center of attention, especially not around her friend's gorgeous boyfriend and his pals. But one special guy might just prove looks aren't everything—even when you do look good.

9,000 words, or 36 typical book pages.

### "Girls Just Wanna Have Finn"

It's girls' week at the beach--until the hottie from high school shows up. So who gets Finn?

When Anna and her gal pals spot a hunk on the beach, she learns he's a womanizer who hooked up with all her friends back in high school. Now he's after her. Is he a changed man, or is he still a dog on the prowl?

10,000 words, or 40 typical book pages.

### "Washed Up"

When she saves her dream guy at the beach, he wants something more....

Molly saves a guy washed up on the beach, and discovers he's the heartthrob from her youth—actor Michael Sullivan. The press makes it look like a blossoming summer romance, and Michael wants Molly to play along. Do happy endings only happen in the movies?

12,000 words, or 48 typical book pages

"Hot for Summer"

The beach goddesses are after the most eligible bachelor on the shore. So why is he hot for Summer?

After losing her job, her guy, and her apartment all in one week, Summer needs a break at her friend's beach house. But her biggest problem isn't the snobby beach babes who ignore her, or the old diner she's trying to save--it's a tall, gorgeous man who has no business being interested in her. Will it be a summer to remember? 9,000 words, or 36 typical book pages

# From Reader Review Beach Flirts! 5 Romantic Short Stories for online ebook

## Deanne says

Enjoyed this summer romance story!!!!

## Nyssa says

This collection did not start of beachy-keen. The next story, however, was worth going through the first. I like Natalie and her beau. Stories three and four continue the theme nicely.

This group of stories was not as lovey-dovey as the first collection ( Flirts!) nor were the story connections as strong. In fact, it took a few seconds to remember who was who during the "couple round-up" at the end. However, while the cohesiveness was stronger in the first collection, the individual stories (save one) were better here.

My reviews are behind the stars:

1. **Ex On The Beach** - 2 stars
  2. **She's Hot Now** - 5 stars
  3. **Girls Just Wanna Have Finn** - 5 stars
  4. **Washed Up** - 4 stars
  5. **Hot For Summer** - 5 stars

## Elizabeth Wood says

### Interconnected fun!

I love these short stories! It's a fun way to while away the day. The stories are all connected in one way or another, which makes it fun to read! Just gotta read more!

## Jamie says

I love, love, love, these short stories. I'm such a sucker for a good romantic comedy and the different outlets 5 short stories can afford. I got sucked into each story individually and as each story ended I was a little sad to no longer follow that story line but a page into the new one and I was hooked. I loved how everything

came full circle at the end. These books are just for me and I can't wait for my Kindle gift card for Christmas so I can expand my collection

### **Lisa says**

I am a huge fan of all books Lisa Scott and Beach Flirts does not disappoint. I especially love how you can track the connection of each story to the next! You can read my full review on my site here <http://lisa.voidcast.ca/?p=29861>

### **Kayne Inso says**

Good read

---

### **Alie says**

This summery novella collection follows characters on their journey to finding love. The stories are set on the beach and will make you want to find your own summer fling!

**\*\*Although each of the 5 stories can be read and purchased as standalones I personally enjoy them more when I read all 5 of them because the stories and characters are connected in some way.\*\***

My individual ratings:

Ex on the beach 4.5/5

She's hot now 4/5

Girls just wanna have Finn 5/5

Washed Up 4/5

Hot for summer 5/5

The themes are ones that you've heard of before but the stories themselves are not cliches but rather original. My less than 5 star ratings are the stories with which I had tiny issues but still very much enjoyed. This collection is very much chick lit but relatable. You will feel the character's emotions and be happy that they found their HEA. Be prepared to laugh, smile, swoon, and tear up.

Beach Flirts are perfect for the summertime! If you are in a reading slump or need a quick lighthearted read that will keep you invested 'til the end, I recommend Lisa Scott's collections. If you generally don't like shorts I recommend sampling her writing first.

### **Nellie says**

I didn't love these stories. In fact, I skipped the last couple stories. They seemed shallow, and unrealistic. For example, a girl met a boy, and found out he had slept with ALL her friends, so she was adamant she would not be one of his conquests. Sadly, she held out for about one day. The story was supposed to be about his

change, and her trusting him. however, there was no relationship developement, or any indication of this 'change'. I understand it's a short story, and therefore, moves fast, but it didnt make sense. At least the love scenes remained behind closed doors. I liked this authors other books, and will look for more from her, I just didnt love this series.

### **Freda Mans-Labianca says**

I have to break down the 5 shorts for you; Ex on the Beach was a cute love story. Heather, the main character, handled herself well given the situation she was put in. Though this was a classic case of what is meant to be, will be. (3/5) She's Hot Now, started off with letting you in on the meaning of the title. I was taken aback and not sure I wanted to read on if it was that catty, but it actually turned out good. It showed the power of karma and why you should always treat others with respect. (4/5) Girls Just Want to Have Finn, is for the fashionistas out there! Right off the hop it had me at Manolo Blahnik's. A little predictable, but still very chic! (3/5) Washed Up, was predictable right from the get go, maybe too much. While I liked the story and thought it had cute moments, it also was a bit boring. (2/5) And lastly, Hot for Summer, had moments where the lead man from the last story appeared in it. Sort of brought the two together, but they were equally different. Or were they?? The last was an actor, this one a sports player. Slightly different premises but a lot alike too, and essentially they both ended the same. (2/5)

### **Basia says**

A lovely read, but it would've been nicer if there was more variety to the female characters.

---

### **Paula says**

Cute story. A fun light read!

---

### **Mare says**

A lot is happening at the cape... Items link the stories together.

#### **"Ex On The Beach"**

Heather is on a family vacation on the anniversary of what should have been her wedding had he ex not decided Puffins were more exciting. Unfortunately, his family is there too...with him. Can he win her back?

#### **"She's Hot Now"**

Natalie's on a vacation with her co-worker & hoping to have a good time. But she didn't know her "friend" was inviting her boyfriend & his friends. Then as she gets attention, her friends starts to stress ALL THE weight she lost & even shows pictures of her pre-weights loss...

#### **"Girls Just Wanna Have Finn"**

Anna & her old HS pals are on a beach vacation when they notice Finn. Anna notices he's hot but she didn't

know him in HS. He was the popular boy from the private school nearby & her mom didn't let he go to those parties. But now she knows his reputation & intends on ignoring him so of course...he hits on her.

"Washed Up"

When she saves her dream guy at the beach, he wants something more....

Teen heart-throb Michael Sullivan is saved by Molly after he's chased into the water by some crazed fans (girls from "Girls Just Wanna Have Finn"). His agent thinks the publicity would help reactivate his career if he pretends to fall for Molly. The press makes it look like a blossoming summer romance, and Michael wants Molly to play along. Do happy endings only happen in the movies?  
12,000 words, or 48 typical book pages

"Hot for Summer"

Summer is staying at her friend's beach house since she lost her job, apartment & boyfriend all in the same week. She's back working at Scoops, her old teen job when Jay walks in. OK he's hot & famous & appears to be interested in her NOT the vacationing hotties next door that think she's a loose.

## Cindi says

I really wanted to give this book 4 or 5 stars. I totally love everything I have read by this author. But I had a problem with a couple of the stories.

Ex On The Beach - Just didn't do anything for me. The heroine was way too forgiving and she forgave too quick. There was no real dialogue between her and her former fiancé. The entire story seemed too rushed.

She's Hot Now - Loved it. Everything about it, even the bitchy friend.

Girls Just Want To Have Finn - Cute story.

Washed Up - Another one that did nothing for me. This could've been a good story but it was too rushed as far as the ending was concerned.

Hot For Summer - I liked this one. I loved the 2 main characters. I love how Lisa Scott brings all of the characters from the other stories in at the end.

Beach Flirts! by Lisa Scott

5 Romantic Short Stories

Ex on the Beach

Heather Parker was on a beach vacation with her family. Single. This should have been her first anniversary as Mrs. Nick Hicks. What could be worse than to be surrounded by your happily married siblings and their children? Having your ex show up on the same beach, that's what!

### She's Hot Now

Natalie feels like a new woman...on the outside anyway. Inside she's still the same person who hid from the world. On a beach vacation with a couple of co-workers things change. As one encourages her to move forward in and be a new woman, the other one seems to only remind of her of the past.

### Girls Just Wanna Have Finn

Anna and her three good friends head out for a beach vacation. Sitting on the beach watching the guys walk by. Then her friends spotted Finn Donahue, a womanizer type of guy. The very kind of guy that Anna wanted nothing to do with. But she could still look without touching, right?

### Washed Up

Michael Sullivan was washed up as an actor and his life was on a downhill roll. Then he met Molly Andrews in a rather unconventional way. The press assumed the two were dating and his agent said it would restart his career so a deal was made. He had a pretend girlfriend for the next few weeks. No problem. Wrong. Life is never that easy.

### Hot For Summer

Summer is staying at her friends beach house and working at Scoopy's Diner while she decides what to do with her life. She always enjoyed her summers at the Cape and at Scoopy's. With business slowing down with competition in town, she decides to help revive the diner. And the hottie in town may just help revive her life along the way.

Once again the author writes five fun filled romantic stories. This book tells of romances while vacationing by the beach. I enjoy the way the author weaves occurrences from the previous story into the next one, usually something unique.
