## Cosmic Christmas Max Lucado

Was the birth of Jesus a quietly profound event? Or could it have included heavenly battles, angel armies, and a scheming Satan? Come along as Lucado takes us on a journey into his imagination-pulling back the curtain as we see what might have taken place on "Cosmic Christmas."

## From Reader Review Cosmic Christmas for online ebook

### **Geri says**

Don't think I like the idea of Lucifer attacking the Blessed Virgin while Jesus is in her womb. Kind of creepy.

---

### **Kati says**

This was a very strange book ...

---

### **Maureen Lo says**

How great is God's love for us.

---

### **Kim Lockhart says**

Definitely my favorite Christmas book of all time!

---

### **Susan says**

Interesting take on the birth of Christ. I never thought about it from a Heavenly perspective before. I should have thought of the possibility that Satan wouldn't want Jesus born and would try and stop the birth. It also gives insight into Gabriel's role from the annunciation to guard duty. An interesting read that gives food for thought. Happy reading!

---

### **Stephanie says**

My favorite Christmas book. The reality of what Satan would do to prevent Christ from being born. A really great and probably as close to realistic as a human can imagine about the cosmic, phenomenal powers of our God. Short read and a perfect read for the holidays.

---

### **Kim Lusardo says**

Sorry Max Lucado fans! I'm not one for religious writing, although this is alright. I wouldn't recommend it to many people though.. Although I don't like this book, I do like his children's books.

---

**Judy Lovely says**

We started reading this in our Sunday School Class during Advent but I decided I didn't want to wait and ordered my own copy. I enjoyed this version and it will be an Advent staple for me every year.

---

**Michael says**

Great simple read with a whole new perspective on what took place on Christmas.

---

**Matthew says**

Written from the perspective of Gabriel the angel, Cosmic Christmas, brings the story of Christmas (the greatest story ever told...because it's a true story) alive in a completely different way.

---

**Courtney Scott says**

Awesome Christmas read ??

---

**Cindy says**

I like Max Lucado but this one was not my favorite. Don't get me wrong - it was interesting, but I just did not find the same take-aways that I usually do. This was definitely a different take on the Christmas story. Here we are told the Christmas story from the viewpoint of Gabriel the Archangel. This gives the angels perspective on the familiar narrative. There is a battle between God and Lucifer, much of it unseen from the earthly view. An interesting way of looking at the Christmas story.

---

**Sarah E Mudge says**

Hands down one of my favorite books by Max Lucado. A very interesting take on the story of Christmas, from the perspective of the angels, and a keen reminder of the reality of Spiritual warfare.

---

**N.N. Light says**

I love this book and it is a MUST READ every Christmas! It is a beautiful re-telling of what happened Christmas Eve!! One of Max Lucado's best!

---

### **Auntie says**

This is a great story by Max Lucado! It came out every Christmas and finally, I sat down and read it in one sitting. The message of the book is that in addition to events happening down here on earth during the birth of Christ (and following) there were also events happening in heaven. Max speculated on the actions of angels and demons as God's will unfolded. It was one more way to meditate on the reason for this amazing season of celebration.
