Fair Play Emerson Rose

Nick

I've got one priority--and one priority only,
My daughter.
All else can get in line.
Sure, football pays the bills,
But my heart and life belong to her.

After my wife died, I vowed to be everything to Scarlet.
But I can't do it alone.
Nobody can.
I never thought that when I looked for help,
Searched for a nanny,
That I'd find so much more.

She's nothing I thought I'd ever want,
Tattooed, pierced, artistic, and carefree,
But Tea's all that I want,
And everything Scarlet needs.

But when someone decides I can't have her,
I find myself fighting for everything,
For my daughter,
For Tea,
And forever.

Publisher's Notes:

1. This is a standalone full-length romance with a HEA.
2. For a limited time with this purchase we have included Emerson's entire series, FREE for your reading enjoyment. FAIR GAME Book One and FAIR CATCH Book Two. Also included is a short preview of Emerson's next trilogy FOUND - A Bad Boys Kiss Book One.
3. Because of the two FREE books and preview, FAIR PLAY may end just before 35% on your Kindle, however, rest assured it is a full-length novel.

Suzanne Radcliffe says

Fair Play is about Tea Brown, a photographer based in Chicago on assignment to Myrtle Beach, and Nick Wood, quarterback for the South Carolina Hawks & father to four year old Scarlet. They all meet on a plane from Chicago to Myrtle Beach when Scarlet starts kicking Tea's seat. Scarlet takes an instant liking to Tea, and both Tea and Nick are attracted to each other. When Nick finds out Tea is a professional photographer, he asks if she would take some pictures of him and Scarlet. She gives him her business card and he tells her he'll call to set up a photoshoot.

Tea checks into the cheap hotel her magazine paid for and has a couple of days of work and after she's sent off her latest pictures to her boss, she logs into a dating app and chats with "Emmett", who seems very nice. At that same time, Nick is on a dating app, chatting with "Red" and enjoying himself. They have no idea they are talking with each other.

The next day, Nick calls Tea but she doesn't answer, so he leaves a voicemail. She calls him back and they set up a time for doing the photoshoot. That evening, Tea goes to eat some takeout on the beach and runs into her old best friend from high school, and they catch up. When Tea goes back to her hotel, she is awakened in the middle of the night by the sound of someone trying to open her door. She is terrified and even after finding out it was just a drunk man mistaking her room for his, she checks out the next morning.

After the photoshoot, Nick offers for Tea to stay with him and Scarlet for the rest of her stay in Myrtle Beach. She really likes Nick and is smitten with Scarlet and just can't say no to Scarlet's excited pleas for her to stay. I don't give spoilers, so that's as much of the story as I will tell. What will happen with Tea and Nick (& don't forget the adorable Scarlet!)? This book had it all: romance, funny moments, sad moments, scary moments, dirty talk, hot sex scenes, the cutest four year old...just everything.

This was my first book by Emerson, and based on this, will NOT be my last! I can't wait to dive into her other books!

Iris says

Another great read

Enjoyed reading this book and reading about the characters and their story. Looking forward to reading more from this author.

Alisa Lawry says

The storyline great, the characters awesome. The writing was so immature at times it was just lame.

Valeen Robertson (Live Thru Books Blog) says

Fair Play is a sweet, sexy football romance. Téa, Nick and Scarlet are the perfect team! I absolutely fell in love with them all, especially Scarlet. It was much sweeter than I had expected, but still sexy and loving. Téa is a photographer for Crush magazine heading to Myrtle Beach for an assignment. She meets Scarlet and her dad Nick when Scarlet kicks her seat from behind on their plane. One look at the adorable 4-year old and Téa falls in love with her, and not too soon after, falls in love with her sexy dad, Nick. Nick, who is the quarterback for the South Carolina Hawks, offers Téa a job taking photos of Scarlet and himself, which she accepts. Their relationship takes off from there, especially when Téa is so good with Scarlet that Nick offers her the job of nanny (plus photographer) when Scarlet's previous nanny retires after having suffered an injury that her children think means she's too old to be nannying anymore.

Their connection is really hot, and it's pretty instantaneous, but they don't act on it right away. Unbeknownst to them, they are communicating with each other through an online dating app, and slowly falling for each other both through the app and in person. Their sexting is so hot, and that heat is felt both through the app and face to face. I like how their relationship evolves, and I love how Nick takes care of Téa after she suffers from a deadly attack at her friend's house. But what I love most is how Nick, and Téa are so amazing with Scarlet. She's absolutely adorable, and the central key to their relationship.

Another thing I appreciate about Fair Play is that Nick isn't the usual playboy athlete portrayed in so many sports romances these days. Instead, he's a conscientious, devoted single dad who cares most about what's best for his daughter, not about his career, drinking and sleeping around. I wish more athletes in romances were like him, instead of hard drinking womanizers.

There are 2 other books of Emerson's included with Fair Play, Fair Catch and Fair Game, which are books 1 and 2 in this series. Both are good, but I like Fair Play even more.

Winnie Bassette says

Love

Téa and Nick met under unusual circumstances but that didn't stop them from falling in love. I think the supporting characters played the lead this time. From Buck's daughter Scarlett kicking a chair to aunt Serena making sure the two love birds remained together. The dialogue was fresh and moved along seamlessly.

BleuBelle says

Insta-love. Not very believable. Single dad lets a stranger (heroine) he knew for a day live with him and his 5 year old daughter in his house. I-love-you's after a week. I just can't take this seriously.

Bloggers From Down Under says

**** Provided on behalf of the author for an honest review ****

**** Review written by Gayle from Bloggers From Down Under ****

Meet Nick.

He's smart, independent, a football star in his own right.

He's deliciously sexy, yummy in all the right places, but he is very single.

There is only one beautiful, young, vibrant and happy little girl that holds his heart in her hands.

His daughter Scarlet.

She is his main priority.

She is his main focus other than football.

They only have each other.

Nick will do anything and everything for his baby girl.

But on a flight home, Nick never in a million years would have guessed that he would find the one.

He would never have guessed that his beautiful little girl Scarlet will change everything for him.

Never in a million years did Nick ever think he would find her.

She will be his game changer.

She will change everything.

Nick and Scarlet will never be alone again.

They have found Tea.

A beautiful, young, very single, independent free-spirited woman, Tea is on a long flight to do a job. As a professional photographer, her work takes her to all corners of the world.

She loves her work, but she is finding it all a little suffocating. She wants to work for herself. But she doesn't have the funds. So it's on another plane ride again to follow the money.

Tea is used to this way of life.

But what she doesn't bargain for is a beautiful little girl changing everything for her.

She doesn't expect him.

Scarlet and Nick will be her game changer.

Welcome to Nick, Tea and Scarlet's world.

Wow, just wow. Fair Play what can I say.....A brilliant read that I just couldn't put down.

I instantly fell in love with Nick and Tea, but Scarlet she just absolutely captured my heart and soul.

A beautifully written novel, full of depth I could feel every emotion, every heartache, every fear and every tear shed.

It's sweet, warm, at times heartbreaking, a little confronting and raw.....Oh and let's not forget very, very naughty.

A highly recommended read for those of us who love a happily ever after.

5 stars.

Tracy Lundy-Munn says

Fair Play is another sports romance that is a standalone novel with a HEA ending. Emerson Rose has another winner on her hands with this storyline. The characters were perfection and lots of smokin hot chemistry. Al. In all a fabulous read that I would highly recommend.

Taylor Freeman says

It seemed too unbelievable that they both couldn't put 2 and 2 together when it was so blatantly obvious. So that didn't work too well for me.

Otherwise it was okay. Nothing too heavy which I appreciated.

Jenny says

Cute, quick read (story ends @ 30% - there are bonus stories included). Get's right to the chase from page one.

A football player...single dad...

A photographer...just living life and open to welcome happily ever after...

The rest is basically history.

Rosie J. says

This is the first book I've read by Emerson Rose. I liked the premise --though, it didn't quite deliver for me -- single widowed father with a 4-year old daughter. Nick's a famous football player and Tea is a talented photographer. Tea was a bit too bohemian for me with all the tats and piercings in places where they should never be. The reader has to suspend disbelief on two separate occasions when Tea could have easily identified Nick and the other when Nick could have identified her feet.

Karen Robinson Glover says

Love Scarlett!

The characters were cute, but the adults were slow at times. Nevertheless, I want a story solely based on Scarlett and her sass! She was so cute and loveable.

Jennifer Nino says

Mary says

Cute story about love at first sight. Loved Tea and Nick's story. A "wild Child" photographer and a football quarterback. Nick's daughter, Scarlet, was the icing on the cake. A must read.

marisol cruz says**Omg I love Tea**

Excellent book fast paced easy to read and love. Scarlett and Nick prefect combination of pretty and sweet. Thanks Emerson Rose . You did really good
