When I saw this cover on Amazon, it was already a winner, what a gorgeous cover.  
The story even though is quite short, it was so lovely, hot, cute, it has everything that I love and the epilogue is one of my favorites.  
This will be part of my favorites books for sure.  
It seems like this author write about the type of characters that I love so much, the big biker with the smaller cute man.  
I will keep an eye out for any of his new releases, I think he will be on my "must buy" list in the future.

Loved the story and the writing - for such a short I connected with the characters so easily - just wish it was longer! Will definitely be keeping an eye out for more from Max and looking for anything else he's wrote x

### **Jason Bradley says**

Sexy short with a hot tattooed biker. :)

### **Tailtiu says**

I've read this story when it was free on the author's blog and I love the new and very fitting cover.

### **Alina says**

Awesome story, I really liked it! Hot (and a little kinky) and sweet )))) I'll check out this author's other books for sure!

### **Lauren says**

This was short but really sweet. I wish it had been longer, because I really enjoyed it. The ending came as a bit of a surprise, and I'm so glad we got to see their relationship much further down the line - it put a huge smile on my face! Usually you miss that part of the story when it's such a short read, and I'm so so glad we didn't here! Perfect little pick-me-up!

### **Chris says**

A quick read - an unexpected romance ... Would have loved a bit more in between the sudden decade age jump just to see these two build chemistry

---

### **Shelby P says**

Short story. The transition of time was a bit jarring. I would have liked the guys to get to know each other better and more Harley time as a kid, but hey. It is what it is.

#### **\*\*\* Loved it ! \*\*\* Max Vos gives us a short story that feels like a long one.**

It is amazingly written, heartwarming, funny, and so cute! Of course the sex is awesome, as in all of Max Vos tales.

#### **Schoolteacher, Dan, has a student named Harley.**

Harley wrote an English paper that needs to be brought to the attention of the parents. So, Dan and the Dad make an appointment.

#### **Hawk walks into the conference, all badass biker,**

**pierced, tattooed, and hot.** Dan is speechless.

They discuss Harley, and Hawk invites Dan over for a BBQ and pumpkin carving. He goes.

**We get lovely, deep characters, attraction and super hot sex with these two.**

**The epilogue is priceless.**

**Highly recommend this wonderful story ! ENJOY !**

### **Bev says**

**Short but sweet tale of dad falling for teacher. 3.5 stars rounded up to 4.**

---

### **Marte - Thunderella says**

This was really sweet! Too bad it was so short. But it was good. I enjoyed reading it. I liked the characters and the story. Just one thing though, I hate the cover.

### **Dragonrouge57 - Bénédicte Girault says**

Voilà une bien jolie histoire, comme quoi on peut venir de deux mondes totalement opposés et finir par se trouver. C'est sûr qu'entre un professeur avec deux doctorats et un motard, tatoué de partout et portant de multiples piercings, c'est le jour et la nuit.

Mais cette histoire courte (27 pages), beaucoup trop courte, l'auteur réussit à nous faire comprendre l'attriance qui n'est pas dûe au hasard puisqu'elle remonte à bien longtemps mais ne s'épanouit que maintenant grâce à Harley, le fils de Hawk.

L'écriture est facile à lire et rapide, beaucoup trop. S'il vous plaît, Monsieur Vos, la prochaine fois, vous ne pourriez pas écrire une histoire beaucoup, beaucoup plus longue ?

Bref, une petite demi-heure de lecture très agréable.

I could have read more of these 2 characters and Harley the happy brilliant kid that if I ever had a kid would be like him! Really another amazing novella from Max Vos! I recommend highly

### **Macky says**

Really short but very enjoyable. Teacher meets his cute young students tattooed, multi pierced biker dad and sparks fly. Starts off sweet and cutesome, then turns really hot, hot, hot! Loved the little twist in the tail and the epilogue of sorts was really good. Really liked it.
