Formula books.. Read book 1.. kind of interesting. Normally like my sex scenes but these got in the way of the story... Started book 2.. which was almost a repeat of book 1.. returned to library. I love love this series, full of action and hot steamy men. The Kelly brothers are perfect Alpha males who know when to love and when to be soft.

The Kelly family includes 6 brothers. The 2 youngest are still in the military. 3 have started a Rescue operation group.

Darkest Hour is Ethan's story. Ethan has fallen apart since his wife died in a plane crash. On the one year anniversary he gets a packet saying she is alive and being held in the jungle in Central America. He and his brothers promptly arrange a rescue mission.

Aimee says

Pretty good so far. Fluffy, but good.

Lots of book. I liked it but I need a break from this series. That said, I already picked up #5 from the library.

Alyciabengtson says

Love this series. If you like lots of hot ex ops guts saving the day & getting the girl, these are your books.

Bernadette says

This is a great series. The Herod are funny likable and intense.

I love the story lines and suspense.

The romance is an added bonus.

Jo-Anne says

I love the KGI books and the Kelly brothers. KGI is a special-ops type company made up of ex-military, that does hostage and fugitive recovery all over the world.

These books will keep you on the edge of your seat. I liked that no matter what the KGI men thought of the people they were protecting, they kept them safe anyway. Protecting people is ingrained in them so that's what they do. Whatever it takes.

The KGI team was incredible. I loved the way they worked so well together and were remarkably good at what they did. These stories made me laugh, cry and gave me goose-bumps. They are must-reads for romantic suspense fans.

Hard12luv says
