Laws of the Night Revised updates Mind's Eye Theatre "TM" with the developments of Vampire: The Masquerade "RM." Whether you're a new player waiting for the right time to join or a veteran ready to face the cataclysmic changes to the Vampire storyline, this book is for you. This deluxe version of the rulebook is hardbound, with a black leatherette cover, silver edging and a foil-stamp image in keeping with the Vampire Limited Edition. However, this volume includes two cloth bookmarks to record important rules, and an extra eight pages of previously lost text from the Book of Nod "TM" itself. An excellent in-game prop
