NEGI VS. THE THOUSAND MASTER!

As the “Budókai” Martial Arts Tournament draws to a close, Negi finds himself facing one of his own students, Setsuna, in battle. But after the strange disappearance of Takahata-sensei, and an even stranger conversation with the mysterious “Ku:nel” Sanders, can Negi pull it together to emerge victorious? Elsewhere, student Asuna leads a group of rescuers—among them another student of magic—deep into the catacombs beneath Mahora Academy. Who will receive the greater shock: Asuna in the depths below, or Negi facing his long-lost father?

Caroline says

Pretty good volume in the series, really liked that there was more of a look into Negi's father even if things weren't exactly resolved.

Yes, Negi meets his father. But the thing is, it's not really him, and they only meet for a minute.

This manga gets better the more you read it!

Jeffrey says

Volume 13 resolves the Budokai martial arts tournament, if not the cultural festival overall, and does a strong job overall. Some of the new characters do appear to be there just for the fan service, but it's still enjoyable.

Jenny Karpe says

Einer der besten Bände der ganzen Serie und einer der gigantischen Gänsehautmomente überhaupt. Richtig stark!
