### starsaga says

#### Very short story.,

Short story, I usually read Sam Crescent stories for the possessive heroes. This one was ok, the story was pretty typical with little emotion except in brief moment when Anya started feeling insecure. The rest of the time she was not particularly likeable but an overall acceptable read.

---

### Tia says

Okay, this novel was ADORABLE with a capital 'A'. I actually really loved it. It was the most descriptive and sweetest 'erotica' I've read in a long while. At times I was turned on waiting for the next part. I'm a perv, I can admit it!

---

### Jennifer Susan Antony says

I just start reading it because it was just a short story. The story line was good ok, I wouldn't say it was great story to read.

### nurmawati says

Gw jaraaaang ngasih 2 bintang. Tapi buku ini bikin lelah bacanya saking boring dan ada adegan2 lebay nya. Hal yg mengganggu banget itu :

1. Ce nya di awal digambarkan punya kepribadian kuat, tau apa yg dia mau. Tapi setelah ce nya tidur sama co nya dia jadi cengeng, gampang nangis dan menye-menye..

2. Gampang banget tokoh nya mengucapkan cinta. Si co kecewa sama ce2 yg ngejar dia krn dia kaya. Jadi dia bikin gosip di kantor kalo dia suck in bed. Padahal sebener nya dia itu dominan di tempat tidur. Itu kata dia..tapi sepanjang cerita gak kelihatan dominan nya..malah menye-menye juga. Abis tidur sama si ce dia langsung merasa jatuh cinta dan menganggap si ce "the one" dan mau nikah sama si ce. SEGAMPANG ITUUUH ? Dimana pribadi dominan mu wahai cowok...katanya kamu gak gampang percaya wanita.

3. Si ce juga dengan mudah nya merasa jatuh cinta dengan sekali tidur itu. Bah !!

4. Abis gitu mereka merit. Sumpah gak ada chemistry nya.

But lagi2 ini buku eroro...org gak byk berharap ya..tapi mbok ya jangan bikin pembaca eneg juga dengan tokoh2 nya dan ke lebay an mereka.

Udah gitu aja. Cape nulis nya. Buku ini sukses mematikan minat baca gw.

## **I ♥ Bookie Nookie (bookienookiereviews.blogspot.com) says**

What better way to ignite a new romance than to be stranded in the wilderness during winter armed only with a map and a little food, right? Well, I don't know if that is the perfect scenario, but it sure does work for this couple. I always know I am in for a treat when the hero and heroine are described as having personalities that compete for dominance.

Nathan, the "demanding sexy boss", has mistakenly booked a "team building" weekend at a couples resort with his personal assistant, Anya, the "fiery red temptress". Convinced that they can benefit as co-workers from the weekend adventure, Nathan insists that Anya attend regardless of her prior plans. True to her description, Anya is furious that her plans for a weekend of mindless sex with nameless hotties are squashed by this oblivious man who is her boss. The pent up sexual need that has been building inside her is on the verge of spontaneous combustion and weekend alone with sir sexy is NOT a good idea...or is it?

Nathan and Anya are both appealing characters and were fun and somewhat comical to read about. It was obvious from the beginning that they were attracted to each other. All they needed was a little push in the right direction and what better to force their romance than mother nature, of course!

So, there are definitely some holes in this story line, but if you can get past that, it really is a hot little story. Normally, lack of plausibility would knock the rating down a notch or two, but I enjoyed OFFICE HOURS despite its shortcomings.

## **Lisa says**

Anya King is the personal assistant to Nathan Banks and his highly successful company. She hides her attraction to Nathan because she doesn't believe in mixing business with pleasure, and there are rumors going around that Nathan is a dud in bed. What Anya doesn't know is that Nathan himself started those rumors to keep women from chasing after him for his wealth. Nathan signs himself and Anya up for a team building workshop, not realizing it is a workshop for couples. This book starts with Nathan telling Anya that they will

be attending this workshop, but not about his mistake in what it really is. I was immediately drawn into their world and glued to the very end. I loved the flow, the humor, the heat, and the wonderful happy ending. Though this was not a long book, it told a hot and steamy story about two people who have known each other and harbored secret attractions, so the chemistry was already there. I can not wait to see what is next for Sam Crescent as this book is going on my keeper shelf.

Fantastic quick read. hot & funny. I loved It!

---

### **Missy Martine says**

Every working woman's fantasy - making the boss fall in love with you! This is a wonderfully, erotic story of a woman getting the chance to live out her fantasy. The characters are well defined, playful, tender, and sensual. The story is every secretary's secret wish, a chance to make the rich, handsome boss see you as something more than office furniture. It's funny, romantic, and sexy as hell. I highly recommend this book.

[www.romancenoveljunkies.com](http://www.romancenoveljunkies.com)

This was my first book by the author. I enjoyed the book; I thought it was cute. The story was short and to the point. I thought it would only be 68 pages, but it was a little more than that.

Nathan signed up his personal assistant Anya and himself on a team-building weekend for couples, thinking this would help their relationship in the office. However, he didn't really see the fine print that it's for romantic couples. Anya didn't want to go because she has the hots for her boss and Nathan wanted a submissive, which he's never really seen in Anya because she seems Mrs. Proper in the office. While on their weekend trip, they are trapped in a snowstorm and sexual pleasure consume both Anya and Nathan.

The book for me had me laughing when it came to the interaction between Nathan and Anya. Anya was a professional in the office and a freak at home. Nathan was cute to me; he's not your typical millionaire. In this book you have a purple dildo, vibrating panties, a cat and mouse game, sexual bickering, a few laughs and a sexy limo ride. It was a fun quick read. Loved the epilogue.

Storyline: FAIR  
Intimacy: GOOD  
Enjoyment: FAIR

### **Ceron says**

My favourit parts were the secret santa notes, espacialy the last one.

---

### **Renee says**

This story line was good, but not great. and I do seem to like this authors story (totally loving the erotica) but I feel she still does not write very well. Sex \*\*

---

### **Georgine says**

Cute read.

---

### **Elle says**

This story is rated low because it wasn't that good. I got what I needed out of it (one sitting story) and the story wasn't so bad that it ruined the whole experience for me, so that's saying something. But overall, this was just OK.

Sometimes short stories are amazing but I get the impression a great short story is really hard to write.

I don't read them for their greatness, I read them for the bite sized story. I like reading them in one sitting.

---

### **\*Let Me Be Antisocial\* says**

The cheese is strong in this one.

---

### **Mymee says**

I LOVED IT I LOVED IT I LOVED!!!! So sweet, adorable, steamy, and a bit funny too!!!! I love this story a whole lot <3
