~*~

The vote is in and Devil Call MC is officially changed. Talon may not agree, but he knows his focus must remain the same... settle his debts, win his wars, fight his demons, and make sure precious Everly never gets hurt again. At any and all cost.

Everly is wounded and still hurting. Her heart and mind can't agree on how to get over everything that's happened. One thing is for sure though - she loves Talon. So what is she to do when temptation elsewhere becomes all too real?

With only two books to go after this one, the rebuilding of Devil Call MC faces a path of destruction... in which love and death collide.

Elaine says

Finally...

Amazing. Can't put it down So ready for the next one right now. But that means so much closer to the end.

Kattz says

Another excellent story with twists galore. The sexual content and violence is right up there. Looking forward to number 7.

Lisa Cullinan says

The insanity continues ...

I can't believe what's happening with the MC. At 63% in, I realized that I can't stand Everly. As Talon, who is bruised, battered just ripped apart physically and mentally, continues to fix a mess that he created (and takes full responsibility for it) Everly continues to lust after Layne no more than minutes after Talon leaves. Example: She's recovering from a gunshot wound and needs help getting out of the tub when Layne walks in on her and helps her out. But before he does so, he's using his fingers and she's directing him where to go. Everly is hot for him constantly ~ this isn't the first time. She is a major slut and I wish Talon would catch the two of them together. I'm done with her. Of course later in this story, she'll be all over Talon again. There are two characters, step siblings, Jade and Vaughn, who have Talon by the balls. The things they make him do are sick. This installment pissed me off so much that something better change and soon . This series is insane. Off to the next one.

Vicki Smith says

Darn

Can't wait for last 2 books in this series. Who has Jade and who will survive ? Talon or Payne ? Maybe none will

Lenna Wright-Berry says

Tensions are high, president is picked, feels are opened and revenge will be savored. Payne is still holding back from Everly, Talon is dealing with heart ache or Everly witnessing Jade blowing Talon in front of her and being shot in the leg. Talon is all messed up with his feelings, their rivals, Jade and her step brother and

looking his patch to his long time friend and brother.

Sandy Emary says

This series is awesome! Can't wait for next book!

Rachel Riley-meek says

Enthralling

Not a fan of serials and I can't wait for this one to end. That being said I am enthralled enough with this series to see it through to the end. Not a nice sweet story if that is what you are looking for.

Morilyn says

With only two more episodes to come, this serial is engrossing. It is a tragedy, as Talon spirals seemingly beyond control, trying desperately to fix all the wrongs. Will he succeed in saving his MC, with Everley at his side? Or, as is more likely, all three main characters (Talon, Everley & Layne) meet their demise? Ana Fawkes can tell us soon.

Amy Plank says

Talon is still trying to fix all the problems that surround him. Everly seems to be in the middle of most of it. Can't wait for the next part.

Tonya bright says

Whew

It doesn't get more alpha than these books!! It's amazing how this series can keep having an ending and yet there's still a cliffhanger making me crave the next!
