Rubberneckers finally puts an end to on-the-road ennui, whether you're road tripping, field tripping, or just facing the morning commute. Crack open this box of glossy cards and let the fun begin! A combination of games all of us have played at some point in our driving and riding careers, Rubberneckers is nothing but a good time, no matter how old you are. Just think, there are 200 million cars in America. That's half a billion bored riders or a staggering 20 billion bottles of beer on the wall. Thank god, help is here at last.
