Linda says

Very interesting

I enjoyed reading this book. Great job to author. I was interested from beginning to end. The ending was not what I expected. In a way I was disappointed that Cooper died.

Donna Ryan says

Very good stories.

I loved all 3 books especially the last one. Officer Cooper was a great character. Book had a really suprising and sad ending.

Janet Stites says

Loved this book set however whoever proof reads did a poor job. All the words are spelled correctly but some words are missing, transposed or just wrong words used. In one case a character name is carol then its coral then back to carol. Maybe have a human proofread next time and not jus5 do a spell check.

Judith Allen says

Gripping

These stories are not exactly what I would choose to read. They were totally absorbing, with plots that twisted so quickly I didn't have time to figure out what would come next, and the endings were unexpected. I congratulate each author .

Rita Dempski says
