Part two was so much better than part 1 . This book had me crying at times for trials and tribulations that Kenzy and Aja went through. I love me some Pistol and Half but they did my girls dirty they was just being SELFISH !!! Can't wait for part 3

**It's about to get real!!!!**

I can say part 2 was better than part 1. I surely wasn't expecting it to end like this, Pistol done got caught up with his two women, Half finally expressed his feelings but it seems like it's too late, Kane end up getting Chastity cased up in the whole situation. This was just crazy but I loved it.
