Pravana says

This book had some of my favourite scenarios. The main protagonists are secretly married. And Viola!!! another favourite - One night baby.

The question of his relationship with Sapphire / Sappy was not satisfactorily explained.

Ex boyfriend of Saffy Clemenger. "It's a bit late to start desiring a woman ten minutes before you divorce her...."

He'd wed her to save her from a forced marriage to another man. Twelve years later, Paolo Mancini's back to tell his wife, beautiful Helene Grainger, they can divorce at last.

But Paolo is still the passionate and gorgeous Italian whom Helene married. When they are reunited for one last night, Paolo realizes what he's been missing--and decides that he cannot let her go!

Rating: 3 stars.

Need to reread as it did not make an impression on me when I first read it. Can't recall many things about the book.
