The Syndicate 3: Carl Weber Presents Brick , Storm

When Claudette McPhearson died, she left eight foster children to fend for themselves after they discovered the truth about her secret life. She was the leader of the Syndicate, a criminal enterprise that had a stronghold on the underworld. Much to her children's chagrin, it was up to one of them to step up and take the lead. Javon, her oldest and most trusted son, took on that mantle. It was a role he had never wanted, but with threats to his family coming from every direction, he had no choice.

One year later, Javon has taken the Syndicate to the next level. Javon seems untouchable, and the Syndicate can't be stopped, but as it grows, it draws attention. This time, it's from the Commission, the ruling body of the world's most dangerous mafias.

"You scratch my back and I'll scratch yours" comes into play as the Old Italian needs Javon's help. The Commission has been threatened, and they call on the Syndicate for reinforcements. The Syndicate aims to help its allies, but the past comes knocking at the McPhearsons' door. With everything coming full circle, Javon will find that not everyone can be trusted, and ghosts from the past always have a way of coming back to haunt you.

Adrenna Shipman says

Sweet baby Jesus this series was amazing! Book 1 was a little slow for me as it laid the foundation for the key players. Book 2, family drama at it its finest! So what would book 3 give me? Secrets revealed! Lordt I was in no way prepared to find out the things I found out in this last book. Phenomenal! That's how you end a banging series!

Toni says

When reading a series, you have no idea how it's going to end - this was no different. Drama, suspense, secrets and revelations that shatter your world or make you stronger. one thing they learned is to be careful who they trust and the past can come back to haunt you.

Denise LaBoone says

Excellent Read

The writing of this book is a good read, action, drama, double crossed and definitely hateful, heartless, uncaring because of jealousy; Luci couldn't get over King got the Lady. Powerful read see some people have issue with rejection, this reads just show's how deep hate can settle in your heart. My gut feeling told me Luci was behind all the violence and treachery because he hated King. Claudette a woman of purpose smart, good looks, sexy and ambition s. I loved her she was loving, giving, sharing, designing a family of love like no other. I was waiting for Uncle Snap to bring Rowena to meet the family, lol. The whole family was well put together, Uncle Snap, Von, Cory, Shanelle, Inez, JoJo, Navy, Melissa, Monty, Nighthawk and Ms. Lilly. I wonder will Lucky, Gianna or Deedee seek revenge of Luci's death?

Cora Collins says

Goodness! The secrets this family had going on was way too much but in a " damn this is a good read" way. Overall the series was great and written very well. In the beginning I felt like it was missing something but that was just the foundation being laid for the characters. Great Read!

Julia says

It's aight

I chose this rating because I expected so much more. The build up was incredible, but then there was no

kaboom bomb at the end. I'll continue to ride with Mr. Weber, but he has to bring it the next time. Overall it was a good read but I've read better by Carl Weber.

Carol Hornsby-mccoy says

I enjoyed the first two books of this series, however for some reason this one was rather slow. It didn't hold my attention as the two. It did answer the question that was set forth in the begging yet in around about way.

Brigitte Brown says

This series was on the edge of your seat read. The family drama and suspense was well written. The series had me guessing up the the final point and I was like Really! Could not put book down as I needed to know what was going to happen next.

Lisa says

What a great read! Brick and Storm have done it again! This storyline just keeps getting better and better! This one was the discovery of what really happened to Kingston McPhearson and I was too through. Family can heal, help or hurt! To leave all this in a journal was a great way to speak from the grave. I wonder if we're done or will we see DeeDee, Lucky and Giana again??? I guess time will tell. For now the Syndicate is in tact and the fight continues on. A few grammatical errors but not enough to distract. Til next time McPhearson children!

Brilliant writing, this story grabs you by the throat from the first page and you are off full throttle. There are so many twists and turns Nd like any good author had you guessing to the very last. Really good read can't recommend highly enough. A lesson for all of us if we care to look

Denise Gilliam says

Omg this was a goooooood book. I loved how it picked up from the last book. They way they took care each other when they had trail and tribulations arrived. This series was off the damn hook. Just know everyone should read this because in my view all families should be like this it's just my opinion. Please don't sleep on this series its phenomenal.

Jackie Brown says**Honor!!!**
