Tubby Leslie Patricelli

Hooray! SPLASH! Leslie Patricelli's beloved Baby is back! (Ages 1-3)

It's time for a bath! Whee! And Baby obliges as only he can, playing with bubbles (and using them to make facial disguises from Santa's beard to bunny ears), imitating a motorboat, and letting Mommy wash his single hair. And what would tubby time be without running away naked and shiny clean--only to be scooped up and tickled? A beloved bedtime ritual takes on new joy in Leslie Patricelli's bright artwork, exuberant language, and simple, familiar scenes.

Alex (not a dude) Baugh says

Leslie Patricelli's Baby is back and it's bath time. Read along in Spanish or English as Baby has some fun in the tub playing with bubbles, practicing swimming, counts duckies and toes, and getting washed. Then, wrapped in a clean, warm towel, washing as Daddy dries the bathroom before taking of naked. A fun addition to the favorite series.

Be sure to check out these other Spanish/English companion baby board books including: Blankie/Mantita, Huggy Kissy/Abrazos y Besitos, Yummy Yucky/¡Ñam! ¡Puaj!, The Birthday Box/Mi Caja de Cumpleaños, Hop! Hop!/¡Salto! ¡Salto!, Boo!/¡Bu!, Fa La La/Tra-la-la

Archit Ojha says

This baby board book is a great choice to teach your kid about bath time routines. Doesn't contain much words but the illustrations are delightful.

alana says

Baby's a big fan of this bilingual (Japanese and English in our edition) book about bathtime. I think he recognised the setting and routines and the joy of being naked. Bonus points for counting toes!

Naomi says

Great little book about bath time routine

This is a little board book showing a baby's bath time routine. Really nice illustrations but very little words, maybe 2-3 a page. Great for really young children.

Another great book about a daily toddler ritual. I love the pictures how simple and funny they are. Catherine likes this little baby and so does her mother.

Hal Schrieve says

The narrative and pictures in this short picture book for young children are simple, exciting, and engaging. The dirty child at the center of the narrative exuberantly demonstrates the activities that come with bathtime and the text follows the course of action in two languages. Bubble beards, indoor swimming, and the glee of racing nude over the carpet all feature prominently, and young audiences will easily associate the situation of the narrator with their own experiences. The flow of the story jumps easily from page to page. The delight of being dirty gradually gives way to the equally novel state of being exceptionally clean. Children who are slightly older than the protagonist of the story will enjoy the mischief of the noisy, active infant and may appreciate the way the protagonist's actions exasperate and exhaust the adults around them.

Stephanie Tournas says

Leslie Patricelli's bilingual board book, in English and Spanish, is a hit for the littlest readers. The naive art style of illustration, done in vibrant acrylic colors, is very appealing. The process, worries, and joys of bath time are covered through sentences and words, covering sounds, exclamations and expressions in both languages. I like that both parents are involved in the event!

This belongs in all board book collections, as bath time is a universal event.

Samantha says

Baby shares all the fun of bathtime with readers.

A fun read aloud with baby!

McKenzie McIlrath says

Cute pictures but the book itself is a little repetitive even for a children's book.

Alice Gold says

Easy simple one word per page about bathtime

Cheryl Gladfelter says

Lovely book about bathtime. Carl always got super excited to read this one.

Milton Moon Louie says

Baby is having fun taking a bath! B

Maria Shuffit says

I'm kind of in love with Leslie Patricelli's books. You can't help but read them in an excited voice when you're reading aloud to your little one! Really cute, simple, with bright and happy illustrations that are bound to put a smile on your face. Highly recommend!
