Unscheduled Maintenance Deanna Wadsworth

Dear Author,

Sometimes the boss is in charge and sometimes he's not ... and sometimes he just can't hold himself back any longer. There's nothing like a man who can both give and take orders.

.... and all the rest is up to you.

Photo Description: A dark-haired middle-aged man in a blue business shirt, tie, and suspenders kneels in front of the rampant erection of his younger lover, mouth open to receive him. The standing man is muscular, tattooed, dressed in a grey tank and khaki work pants, open to reveal striped boxers. One hand cups the dark head in front of him.

This story was written as a part of the M/M Romance Group's "**Hot Summer Days**" event. Group members were asked to write a story prompt inspired by a photo of their choice. Authors of the group selected a photo and prompt that spoke to them and wrote a short story.

Exina says

Geoffrey always invents new problems in his office just to sneak a peek at Cole McCarthy, the chief maintenance engineer of the building.

“I have a problem.”

“And no one can fix it but me?” the sexy voice on the other line surmised.

Damn, it was that sarcasm again. What he wouldn’t give to fuck it right out of him.

“The light-bulb directly above my desk is burnt out. I want it fixed immediately. I have an important conference call at four o’clock which I need to prepare for. While you and your men wander around the building pretending to look busy, the rest of us are working our asses off, you know. I don’t have time for this kind of incompetence.”

But Cole doesn’t take being ordered around too well, or Geoffrey’s arrogant, disrespectful manner.

“You know what I think I outta do?”

“What?” Dammit, his voice squeaked. He cleared his throat. “File a complaint with the building owner?”

A wicked smile flashed across Cole’s face, his next words laden with sarcastic taunt. “I don’t think so, Mr. Winters. I like to fix things myself.

Changing the light-bulb takes only minutes for Cole, so does changing Geoffrey’s tone toward him. With a surprising turn of events, things get quickly out of Geoffrey’s control.

“Look what I found. Anal beads?” Cole choked on a laugh and held up the string. “Butt plugs? A vibrator? When you said you worked your ass off I didn’t know this was what you meant. That you were up here having fun while I sweat my dick off on the rooftop keeping your air conditioning running so you can be cool and comfy while you stick this”—he held a big butt plug in front of his face—“up your ass.”

Yeah, it’s porn, but the good kind, you know, total smut with feelings. ;)

Damn, that was a hot short story with a perfect title. Loved the ending, which made the title even more appropriate and completely sweet. Like extra sweet whipped cream on top of a kink sundae.

Bubbles Hunty Honest & Direct Opinions says

I will admit this probably isn't my usual style. It seemed mostly like one long sex scene but I still felt like I really got to know the characters and really liked the story. It was **hot**

3.5 Stars

That was hot. And oh, so dirty!

["bitch boy". (hide spoiler)]

Heather K (dentist in my spare time) says

What a nice, kinky little short with a romantic twist at the end that I didn't see coming! I really enjoyed this one, even more impressively because it was so short. A sexy sexy read!

4.5 stars!

Unscheduled Maintenance has been a **very enjoyable and incredibly hot read!** Geoffrey is once again facing an “unsolvable problem” – this time in the form of a burned out light bulb – in his office and is **forced to call the sexy maintenance worker** in order to change the bulb. That’s basically all you need to know – after that you will get **sexual tension, dirty talk – lots of dirty talk, kinky sex and a nice twist at the end.**

Got for it! It’s free, it’s sexy, it’s definitely worth a try!

Just what the doctor ordered on a Sunday afternoon.

✓dirty talk
✓spanking
✓orgasm denial
✓a touch of humiliation
✓role playing

Yes indeedy! Cupcake liked this lil gem muchly. It even had a touch of snarky humor.

Cole and Geoffrey are having a bit of fun at the office. Work is so... overrated. Sometimes you need to spice things up.

“That’s it,” Cole said, the authoritative tone tempered slightly with lust. “Suck it like you mean it. Like the little bitch boy you pretend not to be.”

THAT'S THE SPIRIT!

Bored employees make for mediocre output. Also, make sure you pump up the volume so everyone in the

office can benefit from listening to that bitch boy beg for da cock. They're in for a BIG surprise when they figure out the boss man is not always the boss, if you catch my meaning.

Laughing, Cole squirted lube into his hand. “I’m gonna fuck you so good, you won’t know what hit you.”

My thanks to both Baby & Adam for point out this little nugget. It hit the spot.

CrabbyPatty says

Ooh, a short kinky smutty story complete with spanking and toys. Very nicely played, Ms. Wadsworth. Very. Nicely. Played.

Melting! Sizzling Hot! **4.5 Stars**

I've been swimming in a number of mediocre reads lately. This hit all the right spots. I was impressed with the humiliation/dirty talk kink. Mmmhmm...melts my butter.

And it's set in an office?! Bare-backing?!! Butt plugs?!!! I expected the twist but still giving two thumbs up!!

This hit a **LOT** of my **FUCK YES buttons!!!**

Vivian says

Naughty and sweet. A delightful little treat.

Meags says

2.5 Stars

This is a short but sexy workplace romance, with an unexpected twist to keep things interesting!

Unscheduled Maintenance brings the kink, with plenty of dirty talk, humiliation, spanking, orgasm denial

and even some sexy toys to heat this office up.

Keep in mind, my low rating isn't to suggest there was anything wrong with this story - it was fresh and sexy - I'm simply not a big fan of some of kink involved (being called "bitch boy" is like the opposite of what I consider sexy dirty talk, but to each their own).

Adam says

So....

"When he had it soaked and could pump his hand in rhythm with his mouth, Cole started to thrust into his mouth.

"That's it," Cole said, the authoritative tone tempered slightly with lust. "Suck it like you mean it. Like the little bitch boy you pretend not to be."

Jeesh, he sure is enjoying this. Then again, it had been a long time since Geoffrey had been this hard himself. The taunting way Cole talked nearly drove him to the edge. He reached down to unfasten his pants and release his cock.

"Don't you dare touch yourself."

The sharp command shocked Geoffrey. Releasing him, he gave Cole a pleading look. He didn't mean it, did he?

Cole tsked and shook his head. "Don't look at me like that. You won't touch yourself until I say. And you sure as fuck better not cum in your pants either. You understand?"

Umm...

This little number right here is one of the hottest things I've read in a while. It's mostly sex, but there's a very sweet twist at the end. Geoffrey, a big-shot lawyer in Seattle, needs some repairs done in his office. Cole, the office building's repairman, is there to help. But Cole won't leave without his due payment. (view spoiler)

If you're looking for a quick, fluffy and sexy story to read in between longer books, this would be perfect. The writing and dialogue is a bit awkward at times, but this was one of the author's first stories and from the first 'Don't Read in the Closet' event, 'Hot Summer Days,' so it didn't bother me as much as it might have had this been a professionally-published book. Overall, I really liked Unscheduled Maintenance and I'm looking forward to checking out other books from this author!

Also, did I mention that this was hot? I think I may have. Because it was. Go read it! =D

Justin says

Whoa, that was yummy! Snooping around on GR I stumbled upon the picture and the prompt letter for this story. Hot hotness, Batman!! That pic is lip smackin good and the story was smokin and seemed to fit the request very nicely.

Thank you, Dear Author, for this awesome story!
