**Introducing WHAT HE PROTECTS, book six in the hot and sexy new WHAT HE WANTS series by Hannah Ford...**

Twenty-one-year-old law student Charlotte Holloway isn't the type of girl to lust after things she can't have. Men like Noah – gorgeous, dark, and driven-- usually aren't interested in women like her.

Noah Cutler is a man who doesn't take no for an answer. His drive to go after exactly what he wants has made him one of the most powerful men in the city. And while he could have his pick of any woman, his sights are set on Charlotte. And he won't stop until he's taken control of every inch of her deliciously curvy body...

I loved this series....am still loving this series. Could not even update or review before reading the next one. I sometimes read like 3 of these books a day!

Some of it was a bit rough for my taste and I can not believe that people have that much sex but each to his own in my opinion!

The storyline was very interesting! Book 17 needs to come like in now!

I had forgotten why I stopped reading this series. Then, I remembered.

We're no closer to knowing if Noah offed a bunch of ladies 'cause he's an axe murderer. If he had, he be an infinitely more interesting character.

Charlotte's whiny and annoying. I can't stand her.

Noah is a creep. I don't like him.

I'll try to remember to not going back to things I've dropped half a year ago.

These people are ridiculous, but this train is steadily moving down the tracks.

Noah gets himself out of jail, no thanks to his legal team who don't seem so top notch. Noah's hiding something, but that's no surprise. And we learn that Charlotte is getting played by someone, and given that we see Noah's POV, it's not clear who it might be. At least Noah knows she's up to something. Even though they've only known each other for something like 3 days.

Unfortunately there's not enough quality plot to make the sex scenes steamy... they're now getting seedy. Not

sure I'll pursue Ch 7 (and they're not books, they're chapters)...

#### **love/hate**

I like the series, but don't like the shortness and having to wait for the next book. I usually won't get involved in short stories knowing these facts ahead of time, which in this case I didn't

Noah and Charlotte....

It seems like these books get raunchier as we go.

Some of the word choices during the intimate scenes was a little over the top...but that's just me...

Let's see what happens next!

### **Dora says**

Wow, I love this series, and what a cliffhanger—the suspense continues! Hannah did it again with this book in making you want more and you cannot wait to read the next book to find out what happened. I cannot wait to read the next book.

### **Cecily Kyle says**

And the plot thickens... the sex scenes in these books are pretty well done and definitely make a girl weak in the knees. a bit predictable and similar to many other stories I have read but good enough to make you want to keep going.

#### **YOU HAVE THE RIGHT TO REMAIN MINE !!!**

Wow! I am in love with this series! What He Protects is Book Six in the amazing new What He Wants Series by Hannah Ford. This series totally rocked my world! Each successive release becomes more interesting, exhilarating and suspenseful. The story is exciting, thrilling, compelling, powerful, mysterious, suspenseful, enticing, addictive, romantic, arousing, sensual and steamy. The dialogue is smart, well written, intelligent and flows effortlessly. The characters are fascinating, captivating, engaging, intriguing and sexy as sin. professor and now she finally has the long awaited opportunity to prove her worth. She has been assigned to work with him on a very high profile murder case. But at her first meeting with the new client, she realizes that Noah is her mysterious one time hookup from the bar the previous night. Huh? What the heck? And as women connected to Noah continue to turn up dead, Charlotte is drawn deeper and deeper into his life and his world of BDSM. And it seems that Noah Cutler has plans for Charlotte. But what are his motives and what plans does he have in store for the lovely Charlotte? Will Charlotte become another victim? Oh my! Sexy dominant attorney-check! Beautiful submissive law student-check! Danger, murder, mystery, betrayal, intrigue and suspense-check! Romance and steamy sex-yeah baby! I can hardly wait to read Part Seven. Fabulous entertainment and an awesome read!

### **Lucy Edwards says**

I'm intrigued to find out what happens in the very end of this series but feel as if the author is dragging it out a bit now. The books are very very short but this is now part 6 and I just think dragging it out into a 7th is a touch much now. Get to the ending already!

### **Lisa (Remarkablylisa) says**

I'm kind of getting tired of this series. It's mostly drama and then hot sex in every book.

---

### **Joy Lobel says**

#### **TOO FRUSTRATING**

I could have given this series 5\* except it has been cut into so many parts. I would never have begun this broken apart book if it were not on Kindle Unlimited. When it ends, who knows??? It could have been a very good book if it didn't leave the reader so frustrated. TO THE AUTHOR: are you so money hungry that you need to charge a dollar for every 25 pages!

### **Julie says**

Saga continues with Noah and Charlotte, plot thickens and great scenes. Noah and Charlotte need to trust each other to open up! Love the drama, which makes me laugh and the suspense. Is Noah a murder?

---

**Kerry Richardson says**

OMG I have reached the end of book 6 and now I don't know how long it will be before the 7th instalment is released. I love the series but hate how short they are. Noah just gets more and more HOT and I want to know everything about him!!
