**Exorcism - Encounters with the Paranormal and the Occult** Jose Francisco C. Syquia

Exorcism: Encounters with the Paranormal and the Occult

Fr. Jose Francisco C. Syquia

- # Do ghosts exist?
- # Are there haunted houses?
- # How about spirits of the glass, mediums and séances?
- # Are mangkukulams really powerful?
- # Can fortune-tellers really see into the future?
- # Do anting-antings and agimats really work?
- # Do tikbalangs and manananggals exist?
- # Does the Catholic Church still perform exorcisms?

Warning: You won't be able to put down this book. Because Fr. Josis Syquia an official exorcist of the Catholic Church will take you into the hidden, dark world of demons and how they intersect our daily world. Speaking from personal experience of haunted houses, demon possession, ghosts, and true-to-life, scientifically unexplainable paranormal activity, Fr. Josis will also show you the incomparable power of God over spirits.

Included in this gripping book of stories is the Exorcism Rite the main weapon of the Catholic Church against demonic assaults, a concise manual of prayers for deliverance, as well as a handbook for dealing with infested locales.

This book will change the way you view the world.

In the end, Fr. Josis' mind-blowing stories will not make you fear the devil as much as they will make you love God more.

-- Bo Sanchez Catholic Lay Preacher and Bestselling Author

## **Yovita Wijaya says**

good book, read it twice, heard Father Josis teaching too, and read the other book because of this book. Judulnya lupa tapi tulisannya Father Amorth deh.

---

## **Lek says**

Very enlightening book for the curious catholics, it will strengthen your faith...

---

## **Teresa Rose Mary says**

Great book by Fr. Jose Syquia! I've really enjoyed reading it way back, then. I got interested in reading it a few years after I, myself had an encounter with the other side when 2 of those closest to me got possessed on different occasions. It was a time during my early conversion when according to my spiritual director who is an exorcist, himself--the demon REACTED when I gave my life to the Lord. And with the help of Fr. Jose Syquia's book, I learned a lot more of what's happening. And I get to appreciate more our faith. It's so beautiful! God is so powerful and the demon is so real. It gives you a balance between not being too complacent and total confidence in God.

## **Ethan Mills says**

Do you like paranormal activity. Well this is the best book for you. This book is full of stories of true encounters of gohsts and performing exorsisms. These stories go so far back. they go to the egyptian times. These stories are frakay. This book shows you how to perform an exorcism but also how to kill gohsts. This book was made after the movie exorsism was made. They then wrote a book about stories of ghost interactions and stories of haunted peope.

## **Cesar Inocencio says**

The author presented his subject objectively and interestingly, certainly not off-putting for the reader, at least from my own perspective. It was like listening to him first-hand, his descriptions and accounts are very detailed yet without being too sensational or fantastic. Very catechetical, with balanced apologetics. I'd highly recommend this book to everyone willing enough and open-minded about the devil and evil itself, especially in this day and age.

---

**Kathhzzz says**

A must-read for all Catholics.

---

**Emcy Manuel says**

very LIBERATING! I'm not into scary movies so I thought I will have a hard time reading this-but quite the opposite. It's very informative and as I said liberating. There's one part of the book that I even cried because I realized how enormous God's love is. Every catholic should read this!

**Karren says**

We could use more of these books in our libraries. More than an addition to our arsenal for the fight against the devil, it sheds light on the many mysteries of our culture, our faith, and our practices.

---

**Claire Gutierrez says**

One of my favorite books.
