## **Fatal Ransom** Carolyn Keene

Teenage heir Hal Colson has been kidnapped, and Nancy knows it will take \$475,000 to get him back. Lance Colson, Hal's handsome uncle and guardian, is convinced that the punk rockers Hal hangs out with are responsible. Nancy gets nervous when she and George are caught casing one of the punk rockers and taken to their hideout—especially when one pulls a gun. But are the punk rockers to blame?

### **Prerna says**

NOT THAT GREAT

### **Eric Wood says**

This book was really good...until it started to drag when i reached page 103! I was disappointed by that because I was really enjoying the story, but I rushed through it when I came to page 103 and wanted it to end already. I also didn't like what happened with Lance, but overall this book was good and it deserves three stars.

### **Elizabeth says**

This is the first Nancy Drew book I've read with a curse word and also where a gun was actually shot and it injured someone.

### **Leah says**

Never liked how it took Nancy so long to figure out who was behind everything.

### **A Quickie Review**

Yet another enjoyable installment in this very long series. Definitely worth the wait. To say more would give away the plot, so, I won't.

**Score: 4/5**

## **Lenni Jones says**

This NDF book was not as easy to solve like the others. I didn't know who did it until Nancy figured it out. It seemed that it could've been anyone, even Hal's girlfriend!!! I feel bad for Ned, Nancy is an awful girlfriend. I don't know why he puts up with her. Dating is just too confusing. Or maybe it's con-fusing...that's a reference to In a Glass Grimmly. Don't judge, book references are the best. Anyway, great book, Nancy Drew is my second favorite girl detective(go Sammy Keyes!) and I'd totally read this again after at least a year.

## **Samuel Fahri says**

I am amazed with this novel. It makes me feel curiously to read it more.

## **Nattie says**

I loved this one. All the books in the series should be this good. Bess was so stupid, I was really hoping somebody would do bad things to her, LOL!

## **Jie Hao says**

I can't say Hal did wrong because Lance is also at fault. One thing in common for those two and the others who are involved in the case is, they all were tempted by money.
