### Dora says

This is the first time I read a series by this author. I thought it was a good book, quick read, but quite short. This is a great start to the series. I enjoyed the characters, Penelope and Matt. Penelope is a Liberian who meets a stranger (Matt, the billionaire who also has a love for books) in the library during a blizzard. A negative—Penny having sex with the stranger (Matt) too soon. Eventually, their chemistry is inevitable. This book will pique your interest. I would rate this book 4.5 star. I cannot wait until to read the next book.

Ok, se você, como eu, já se cansou de histórias de bilionários perfeitos, vai gostar desta "versão" um pouco mais realista. Claro, ele é branco, lindo, tem um corpo maravilhoso e é rico, mas também é apaixonado por livros e sabe tudo sobre os clássicos literários. Como resistir!? A nossa heroína, uma negra (o que não se vê todos os dias em romances assim), com um corpo cheio de curvas (mais uma vez, algo meio raro em livros) é a bibliotecária que ficará presa com esse gato em meio a uma nevasca. Quem é que nunca imaginou algo desse tipo? Ficar presa com um cara lindo e com um monte de LIVROS!!!? \*-\* Algumas coisas foram um pouco cliché (tipo, ele é tão forte que me levantou sem ficar sem fôlego), mas achei um enredo bem interessante. Eles têm química, mas nada vulgar. Fofo!

Super quick read (or listen). The story has a lot of potential, so I'm curious to see where it goes!

### Candice says

This was way to short barely 40 pages! What I read was good but I am tired of authors breaking a normal book length into several parts & selling as a series just to make more money! Good thing this was free but there's no way I am paying three dollars for any of the rest of the books in this series when they are all less than one hundred pages.

### Portia Duncan says

It was a good book, but not great. Enjoyed it but it was lacking intrigue.

### TISHA says

This audio book was excellent! I am a fan and loved of the library and books, what better place to be locked in besides a mall. If you love romance and first time encounters, then this book is for you.

Omg so bad it's funny! But so entertaining! These short stories are basically telenovelas! ?????

#### **So Close**

This book was so closed being five stars. It is fantastic, but so short. I was reading and it said 71%, with fourteen minutes to go. But then it ended right there at 71%. I truly hate when that happens. Yes, I know there is a second book, but. Would it have hurt to combine them. I mean that was basically a back story. I am so sure it was a five minute book, and that sucks. I loved the direction it was going in, but I am just so upset about it being so short.

Finished all 6 "books" Why they are all 30-50 pages I have no clue. but not going to count them as individual books.

### **Kael says**

A sweet start. The end was so rushed though. There's a huge blizzard but suddenly they're free after a few hours and there are taxis and people around now???

### **Eugenia says**

Certo, non è Kafka, ma se cercate un volumetto per passare un po' di tempo a sognare, questo è perfetto. E' la prima puntata di una serie, che ha come protagonista una bibliotecaria, che resta bloccata in biblioteca per una tempesta di neve. Con lei c'è un uomo che... (ok, niente spoiler :)

### **Sith \_of\_xiaolin says**

Let me start by saying this could have been a good series. However, one star is all it deserves. The "idea" is there. But the inconsistencies, and the conflict leaves MUCH to be desired. And speaking as a woman of color, I find it offensive that the author stereotypes this character, Penny to be so combative. Insecurities

with her being a black woman are really annoying. Everyone is staring because she's black? Doesn't fit in with the "rich white people"? This is the 21st century! What a great way to through the world into the 1700's. And to put a cherry on top of it all, \$2.99 for 60 pages (20 of which is, to self promote) IS NOT WORTH IT!! Not with the VAST amount of grammatical errors!! With all the \$\$ you have ripped people off of, hire an editor!

### **Boxy Frown says**

This was an interesting read, cute and sexy but quick! Penelope the librarian and the enigmatic Matt are stuck in the library during the snowstorm of the century. They had an instant connection but there was something very...intense about Matt. We do find out a bit of a secret about him at the end of this novella and I'm rather interested to continue the serial. I liked Penny's voice even if she was a bit self deprecating. Nice read.

### **Steph's Romance Book Talk says**

I knew this was a short story/serial so I am really surprised by how intrigued I am with wanting to know more!! Penelope and Matt are interesting and so far I am enjoying that the dialogue is not the typical urban dialogue that I have come across in the past from some indie Black authors. So far this seems like it will be a smart contemporary.

This specific video review will be included in the April 2018 wrap-up.

Just A Tease

Overall 3 out of 5 stars Performance 4 out of 5 stars Story 3 out of 5 stars

Reviewed: 06-15-18

Ms. Penelope a young black librarian loves books and finds herself snowed in the library. But she was not alone. She finds herself snowed in with a sexy smart book loving male that looks nothing like the geeks that visits the stacks. This was an unforgettable encounter.

Bailey is new to me and narration, but I have one complaint. She did not do an accent for the French billionaire hottie. That would have made this a better flowing listen.
