Return to Promise Debbie Macomber

Come back again to Promise, Texas, in this classic favorite Western romance series by #1 *New York Times* bestselling author Debbie Macomber.

The ranching town of Promise is a good place to live, to raise a family, to spend the rest of your days with the person you love. Cal Patterson and his wife, Jane—also known as Dr. Texas—certainly think so. The last thing they expect is a threat to their happiness. But in September, disagreements begin to escalate—with the "help" of an attractive young woman who's got her eye on Cal.

After months of emotional upheaval brought on by doubts about their marriage, the two separate, and Jane returns to her childhood home in California, taking their children. Cal, now alone on his ranch, is forced to confront what he really wants in his life, what he needs. Jane is confronting the same questions.... How seriously does Cal take his marriage vows? And how important is Promise to Jane? Is there hope for a reconciliation—in time for Christmas?

This book has been on my shelf forever ... since I am into easy reads for the moment it grabbed my eye. Another of Debbie Macomber's romance novels that don't tax the brain. I liked it.

Maureen Balog says

Wonderful!

Debbie Macomber has written the perfect ending to her Promise , Texas series! Of course any sequels would be most welcome, too.

Amy says

Short, a one evening read. Held my attention when things were not going well. Grateful for that.

Cathie says

A good story about love and trust between husband and wife. And also how small town gossip can make things worse!

Nancy says

A quick fast read!

Debra says

Return to Promise

This story has a cautionary tale. A marriage that seemed to be great...Until someone from his past wants him. What happens next to the marriage was a wake up call for him.

Rachel says

Debbie Macomber is one of my favorite authors and it was good to visit Promise again. It had been so long

since I read any of this series that it took me a bit to remember the characters, so this could also be read as a standalone.

Teresa Fisher says

Awesome Story

This story line made me feel like I was a part of the story. An awesome story line. Enjoyed another great book from Debbie. Thanks for your great stories.

Cute light hearted reading. Love all of Macomber's books.

Lynn Speer says

Mostly light-hearted, light reading.

The two main characters are stubborn and intractable beyond belief.

Jerry Hunt says

Love Triumphs!!!

A wonderful story of love in Promise, Texas!!!

I'm sad that this is the end of the series, but it's never really the end because I can go back to the beginning and start the adventures all over anytime. Thank You, Debbie Macomber for bringing us the people of Promise, Texas!!!

Love Endures A Test

This book is about a woman trying to break up a marriage. But in the end the husband and wife find their way back to each other. Recommend to all who like love stories.

Tanya says

disappointing ending to a wonderful series.

this short novel is unlike the rest of the series, and not up to Macomber usual standard. too much stubbornness and just not that interesting of a story line.

Shell Louise says

This wasn't very Christmassy which was disappointing. The story in itself was ok and it wasn't a problem for me that I hadn't read the other books in the series.

Mareli says

A short story about Jane and Cal. Both of them needed to resolve their issues, especially Cal who is a bit headstrong and sometimes an a@ @ ;)

I'm saying hello to this series. I liked it very much and I recommend it!
