Satisfy My Soul Colin Channer

Carey McCullough is haunted by a recurring dream and a damaged past. But the more he tries to forget, the more uprooted he feels. Then, while in Jamaica, he crosses paths with a radiant woman who attracts him like a flame. Their undeniable attraction is much more than chemistry. As Carey soon discovers from a “reader” of the spirit world, he and Frances share a history that has linked their souls for more than four hundred years. Though Carey views past lives with skepticism, he cannot explain knowing the language of an ancient African people—in particular the phrase: “*Mulewe anekoso kuduwe bana*” (“I will search until I find you”).

Yet Frances conceals secrets of her own, with devastating consequences. And while Carey visits his best friend, a bond that was once thought to be unbreakable will be put to the ultimate test as startling truths at last emerge. . . .

A. Jones says

Definite highlights, but the flow was too choppy for my taste.

Debbie says

It was so long ago but I know I liked it.

Juanita says

A bit more like a Jamaican poetry book of passion and lovea good read

Ciara says

Beautiful book. My mind wondered and breathed in the essence of his writing.

I love the way he words things.

Definitely a treasure.

Ntd94770 says

I thought the book was very much like the lives of many poeple that i do know.It's not just a 1 genre book at all,it actually helps you to connect to other people's lives and makes you think twice before pre-judging anybody else in the future because,you never know what they have gone through,where they came from,or the things that they have seen.When I was reading this book I was surprised at times,I was laughing,I had very many questions that I still don't know the answer to, and I was in deep in thought in every page that I read,and the details are very well rounded.It's also an eye opener to the world and other people's point of view and what they may think from where they stand.And as far as the moral of teh story goes, it's ok to trust some people,but everybody aren't saints so never assume anything or trust too quickly.

Meryl Nesbit says

I found the ending of this book to be disappointing. Collin is a wonderful writer. I was intrigued that the story took place in South Carolina. I expected the main characters to be redeemed in the end.

Carluta says

It was very captivating, i just could not put it down. After reading Waiting in Vain i new i would be satisfied. I must agree tho that i really love the sex scenes with Frances leading. Loved her character and how the author portray her as an hard ass "tomboy" with a real appetite for good sex, not only to receive it but to also give it. Collin Channer u've really satisfied my soul with this one. Thumbs up to you, i must recommend this book to all my reading friends and get a hardcopy for my library.

Ayodele says

masterful writing. lush, lavish and sexy-spiritual...

Anita says

Peotic & very sexual HOT HOT HOT!!!!

Lisette says

All I can remember about this book is its the worse book Ive ever read!
