Jerry says

Cute and fun.

Amber Johnson says

Perfect mystery for beginning readers. The reader is able to solve the mystery, the characters are dynamic, and it's fun!

Indy says

I liked it. My dad is awesome! He gives me snack.

Lara says

There was a bear in this and there was a teddy bear that was the bear. And Nancy was trying to win the stuffed bear for the hospital. Someone was taking the circus people's clothes.

Prashansa says

My last clue crew book. I won't dare to touch any of them again. This was nothing but Yikes.....

Janessa says

I thought this book was great. It's a mystery in a circus about the props missing and the Nancy Drew Clue Crew help find them. This book would be good for a 3-4th grader

Dolly says

I loved the *Nancy Drew* books as a young preteen, and I can't wait to share the classic mysteries with our girls. In the meantime, I like these books designed for younger readers. They are a little too long for our oldest to read on her own, but both our girls love to listen to them. They feature Nancy at a younger age, so they are very age-appropriate and not scary in the least.

This one isn't my favorite, but I'm sure it has more to do with my personal dislike for circuses and clowns

than anything else. Otherwise, it's a cute story and the bear was a fun touch.

Nancy Drew is in the third grade and she and her two best friends, Bess and George, make up the famous Clue Crew. The Clue Crew solves mysteries all over River Heights. It's an exciting time because the circus is coming to town and the girls plan to go to all of the performances. But at each performance they realize that more and more of the costumes are missing. Someone is stealing the costumes and the performers are angry. Sounds like a job for the Clue Crew!

This was cute. It was the first Clue Crew book I've read--Nancy Drew for easy readers. It still can't compare to my beloved regular Nancy Drew books, but it's not a bad spin off. There was even a fun little activity at the end.

Reagan says

This book is the best book ever! Someone stole the circus costumes!

This was a really big case for the clue crew. First they thought it was a boy who wanted to have a normal life.

Soon they found out that it was not him. If you want to know how they found it out, you have to read the book.

At the end of the book they found out that Brownie the bear was the circus stealer!

This the best book I have read in my life so far.

YYYYYYYYYAAAAAAAAAAAAAAAAAAAAAAAAAYYYYYYYYYYYYYYYY!!!!!!!!!!!!!!

Gray says

ok

Elizabeth Walker says

This Nancy Drew case is about how the girls are going to the circus, but the circus performers are missing part of their costumes. It is up to them to determined what happened to them. This book is an easier Nancy Drew for girls around second grade. A dominant theme in this book is to work hard and preserve to figure things out.
