Blood Wrath

Zoey Sweete

Blood Wrath Zoey Sweete

Renee Draven the witch/vampire hybrid sent to save the mortal realm has failed. She has been beaten, bruised, and left for dead. Half of her soul has been torn away with losing her true one and loyal mate William Angelo. Now, she must look inside herself and find the strength to avenge his death, while unleashing her wrath against Demon Queen, Demya; the one who tore him away from her loving arms. But Demya is only one of many demons Renee will face. Old Ones will rise, and the King himself will lead them to chaos. Between battling the darkness that is slowly eating away what is left of her sanity, she must somehow survive the greatest battle she has ever faced. Will our heroine rise above the demons that are coming for her life or will the fate she suffers be worse than death?

Victoria Rapaglia says

The third book in the The Draven Witch Series by author Zoey Sweete will not leave you disappointed as Renee has some major battles coming up with herself and the old ones. As she is torn up and left broken after her mate was taken from her she needs to get her senses about her, because there are some major evil coming for her. As Demya will be her savior or her downfall time will only tell. As Renee tries to find truths instead of lies about her heritage and things from the past she must also fight the easiness within herself. Can Renee fight the darkness to fulfill the prophecy's or will it over come her? Will the old ones be stopped before it is to late? This will be her greatest battle yet, but can she survive before the darkness takes over? To find out get your copy of this amazing series that will keep you riveted to its pages from start to end. I cannot wait for book 4 to be out so I can see what happens next. Zoey sweete has a gold mine of a series that will have you asking for more as it has me. If you haven't read this series it is a must..

Pamela says

5 out of 5 star!!!!

this Series all together is a must read!!! omg, Renee has a dark side to her..but does she allow it to take over??? but something else happens also to Renee... a must read.. I will not speak more because I will give it away

Steph at Starry Night Book Reviews says

Renee Draven has lost her soul mate beaten, bruised, and left for dead she has failed to save the mortal world from the Demons. It's not just Demon Queen Demya she has to face but the King and Old Ones also. But will Renee survive the big battle or will she fall?

I'm going to warn you right now that this series is a dark paranormal. With that said this book is my favorite so far. You see a side of Renee that is wild and untamed due to the loss of her love and revenge consumes her. Though it all her friends are by her side, this is what I loved the most. No matter what they stick by her, even in her darkest moments they are still by her side protecting her.

Autumn says

I received this book to give an honest review. My rating is a 4.5

I was going to give this book a solid 5 wine glass rating but being as there were a lot of grammar mistakes that I believe should have caught I had to drop it down.

There is a lot of action within this story and Renee is no longer her true self. There seems to be lies coming from almost everyone but Tristan. Even though Renee and him are not together he loves her and doesn't ever try to hold anything from her. Renee lost her true one and she is constantly battling within her self the

darkness and the light. When she pretty much unleashes hell it is more than she bargained for. Lives will be lost in the battle and Renee doesn't have a lot of backup like she thought. Renee's heritage comes into play within this book and she will get a lot of her answers to her questions. The ending is a huge cliffhanger to me and I am eagerly waiting for book 4 to come out. I want to know can Renee be saved after calling the evil power into herself. Or will she die at the hands of those close to her. Will the prophecy be filled? Will and can the Old Ones be defeated? If you haven't read this series than I suggest you get your copy.

Carrie (Book Fairy) Fort says

Wow just wow!!

In this book Renee must fight the old ones and at the same time not let the darkness take her.

The boys and Sarah were with her every step of the way. There was so much action and drama in this book my head was spinning. I don't want to reveal to much and spoil it. The author weaves a amazing tale of fighting, deception, love, and watching Renee go through the trials she does. I got a little lost on the Prophecy that came about but, not enough to make me lost.

I laughed, cried, and got angry! Tristan as always brought a smile to my face as he did with Renee.

Dante as always held strong with his love for his Draven Witch and I love him even more than before.

It was just an amazing book in an amazing series that I will be counting down the days until the next one comes out!

I was given this book by author for my honest review.

Elaine says

awesome full of action Renee has to fight the old ones without losing herself to the dark. riveting to the last page. can't wait for the next one to find out what happens next.
