Campus Girl: Pearl, The Sweetheart Heart Yngrid

"I love you, Jedric. You're the only one who has made my heart beat this way. You are my first love. And I want to be with you." -Pearl

Despite Jedric's infamous image at SCU, Pearl was still in love with him. Pero hindi nito gustong tugunan ang damdamin niya. Para dito, siya ang tipo ng babaeng hindi nito gugustuhing maging girlfriend. She was too sweet for a crude man like him. Wala rin daw itong kakayahang umibig.

Pero dahil mahal talaga niya ito, hindi siya tumigil hangga't hindi nito tinatanggap ang pag-ibig niya. Inalok niya ito ng isang trial relationship. Nang makulitan ito at pumayag sa gusto niya, ipinangako niya sa sariling habang magkasama sila ay tuturuan niya itong magmahal.

Naging masaya ang relasyon nila. Inakala niya na sa wakas ay natutuhan na nitong mahal in siya. Pero maling- mali pala siya. Dahil sa bandang huli, sinaktan lang siya nito at iniwang luhaan...

Jeez, this book made me cry especially at those parts that Pearl got so nostalgic because Jedric kept reminiscing their memories. My heart ached for Pearl during those parts. That's what I always look for in every book I read and I get so dissapointed if that does not happen. I was not surprised that in this book, it did, because I've already read 2 of Yngrid's books and they CERTAINLY did not dissapoint. So far, my favorite is Claudette's story.

Other highlights of this book is that their little girl Cassie is just so adorable too, Jedric is sexy as hell and their scenes are intense, and veyr romantic. Although there was a LITTLE depth lacking, Heart yngrid still managed to make this a sweet, memorable read. It's helluva worth more than its PRICE.

After this, I concluded that Heart Yngrid, really, is one of my fvaorite authors.
