Last Call Europe: Classy Bitch Lacey Savage

Being summoned home to be married is the last thing Vito Moretti expects. But before he can convince his father that he's not about to be chained down to any woman -- especially one he's never met -- Vito swings by Last Call for one more night of pure, unapologetic pleasure. Margot LeFevre has a duty to uphold, and a mission to fulfill. And nothing would jeopardize both quicker than ordering a drink from Last Call's exotic menu. Still, she can't help but wonder what it would be like to be someone different, just for one night. Someone sexy, someone alluring, someone free to give in to the need for pleasure and pain that simmers inside her. Lucky for her, she's about to find out. **Classy Bitch**: Whore in designer clothing, ripe for the taking.
