## **Mandela: The Life of Nelson Mandela** Rod Green

A wonderful, fully-illustrated celebration of the life of one of the most inspiring and respected leaders of our time.

This book pays tribute to the life of Nelson Mandela with a unique collection of photographs from throughout his life. Mandela has become a household name, respected by everyone everywhere, from grandmothers to schoolchildren.

Not so many people would recognise his other names, and he is a man who has been known by many names throughout his life. Nelson Rolihlahla Dalibhunga Mandela came from what most people would regard as a poor background, yet his family were aristocrats among the Xhosa people of the Transkei in South Africa. From the time he was a boy he was destined, as his father before him had been, to become an advisor at the court of the Xhosa king, but no one could have predicted that young Rolihlahla would one day become an outlaw known as "The Black Pimpernel" or a statesman of international standing—President Mandela.

### **Chrisella says**

for Mandela; 11 out of 10 stars. world owes to you a lot, Sir.

while for this book written by Rod Green; 2 out of 5. the photos doesn't support the thing he described in the same exact page. when talking about the young Mandela whose first came to the big city Johannesburg, the photos is about Mandela posed Soweto Gospel Choir after they won their second Grammy Award in 2008 (why it jumps so many years, and what's the correlation..)

While talking about Nelson who was just appointed as national volunteer-in-chief campaign to fought Apartheid, the photo is about Nelson Mandela met United States star Ryan Giggs (long silence..)

This book have so many pictures of Mandela. It's a good thing. But most of them doesn't match in events, year, and while the story it self is all good, i get my self annoyed many times with the pictures.

---

### **Anissa says**

High level, easy to read summary of his life.

---

### **Lucy says**

Too short! But otherwise good

---

### **Amy Ortega says**

I love Nelson Mandela ! This book was based off of him. and to me he's a real hero . This book was an amazing true story about Nelson Mandela's life . Which was a really sad but a amazing life . What I loved about this book was how wonderful and interesting it was . I loved all the dialogue in this amazing story. And I recommend this book to whoever is a fan of Nelson Mandela .

---

### **Rob says**

Lots of photos, so less to read...

---

**Crystal Hunter says**

Splendid brief biography of one of this century's greatest freedom fighters.
