### Cindyg says

This was okay not quite a 4 but not exactly a 3. I bought this book for Kate Douglas's story. Anthologies aren't as deep as a full read so I have to take that in to consideration.

### TinaMarie says

Running Wild by Kathleen Dante - 3

Graeme wants Deanna as his mate but his cousins appearance may jeopardize his chances. Deanna is an orphan who only just recently discovered her wolf. She feels attraction to his cousin and is confused who she wants. Warning some animal foreplay may quick.

Chanku Spirit by Kate Douglas - 4

Matt gets a Goddess summons to Florida before he bonds with Daci and Deacon. There's lots of sex, in their human and wolf forms. Also more insight into the Chanku Goddess. Warning some animal foreplay may squick.

I love these stories. Can't get enough of Sexy Beast, Wolf Tales, and other books. You have to read this one.

I really enjoyed Chanku Spirit...even though a little part of me wished Daci had ripped Liana's throat out...lol... I'm very glad that the goddess didn't ruin Matt and he was able to get past what she did to him and mate with Daci & Deacon... Oh and Anton learned a lesson and now has to grovel to his mate...heeheehee... Thanks Kate for this book and a very good read...now I'm off to read the second story in this book, Running Wild by Kathleen Dante... Brenda :) Just finished with Running Wild and oh how I love this story about Graeme & Deanna...so glad Deanna made her decision to pick Graeme over his cousin Ash. I really think she figured out that there really wasn't a decision to be made though, cause her heart had already picked Graeme... I sure hope there is more to come for Graeme & Deanna story and more on Ash and the other unmated cousins... Thanks Kathleen for this great short story! Now off to read the last story in this book, Heart of the Wildcat by Devyn Quinn... Brenda :)

I enjoy Heart of the Wildcat by Devyn Quinn. I didn't like so much toward the end where Kathryn allow Joseph's brother to join in their intimacy, for this story I think it would have been better to keep it with just Joseph & Kathryn intimate with only each other. Hopefully there will be more to come and Jesse will get his own mate. Brenda :)

The Chanku Spirit was great as always by Kate Douglas. Running Wild was good and filled with romance. Heart of wildcat was great. I would love to find those two sexy men in the mountains.

**Mollie \*scoutrmom\* says**

The Kate Douglas story in this book had a poor excuse for a plot to link the various sex scenes together. The other two stories were much better, but seemed to be episodes in a longer tale rather than complete in themselves.

**Sarah says**

I like that Stephen and Anton have their time on their own to reconnect again.

**Rayni says**

I read this for Kate Douglas short story Chanku Spirit as I make my way through The Wolf Tale series and Sexy Beast short stories. I'm I little on the fence of liking this story. I love Matt, but the twist of the Goddess was ehhh....

Still loving them keep them coming

**Michelle Tempted By Books says**

Chanku Spirit by Kate Douglas

This story has plenty of graphic G/G and M/M sexual exploits as well as threesomes and foursomes. There is nothing light about Kate Douglas' erotica, there is really nothing left to the imagination. If this is what you are seeking then you have found an entertaining series.

Matt is unable to bond with his mates. Something is calling him to Florida. Turns out its the goddess and she wants Matt for herself. This story is alright. I am really starting to have some trouble with the open relationships. Something that just doesn't jive in my mind. However for the sake of fiction I will say it was a

decent story.

Multi-author anthology - I bought it for the Kate Douglas Chanku story and honestly I was disappointed in it. Their 'Goddess' doesn't just have feet of clay - this selfish bimbo has clay all the way to the hips!

"Running Wild" by Kathleen Dante is a direct sequel from her earlier entry in Sexy Beast 2 - no, you don't have to read the other first.

"Heart of the Wildcat" by Devyn Quinn - OK read, nothing special although I did find the heroine's introduction to the wonderful world of cat shifters funny.
