## Sins of the Father L.S. Sygnet

Helen Eriksson's insight shifts gears - from the secrets of others to the mystery of her true identity. When she turns to her father for answers, it nearly destroys her other life. Is Wendell Eriksson the ultimate sinner, or an unqualified saint? Lost in her own doubts and fears, it takes another murder to yank Helen's focus back where it belongs.

### **Valerie says**

This book drove me crazy!! Helen is to the point of no return and all I want to do is scream at her!!! Poor Johnny!! I just hope the last book will have her finally wishing up on how she acts...

There were a lot of secrets that came out in this one...So mun going on so....Thank goodness don't have to wait for next book to come out...would go crazy with ending this book has..

---

### **Eva says**

Great Series.

---

### **Heather Halavats says**

great books couldn't stop reading

---

### **Camille Gazzale says**

Loved it just as much as the rest reading #7 now love love love this series

---

### **Connor Perisho says**

I thought that it was a very fast passed and it had a surprising ending with lost of twist and turns in the middle. it was about this fbi agent who was trying to find out the real story about why her father had been sentence in prison for murder, she learns that getting the answers from her father might ruin her other life in this town that she has started to live in while trying to figure out why her father is really in prison, it was a really easy read and I like these kind of story's that keep my attention like this story did.

---

### **Kathy says**

Omg I wanted to kill Helen myself!! Her character was so annoying and frustrating I almost stopped reading. I'm hoping the next book is better.

---

**Mary says**

As with all of the Ericsson books written by LS Sygnet, this is an excellent story. Intrigue and suspense follow Helen as she tries to find out who her parents and family really are while fighting the typical signs of pregnancy.

---

**Fiona Cairns says**

Enjoyed this book more than the previous ones, although I still do not like the main female character Helen Eriksson. This one was good enough that I was desperate to read the next one.

---

**Michele Tanton says**

Rapidly becoming one of my favorite authors. This book picks up right where the last one ended. Great book!

---

**Beatrice says****Sins of the Father....**

OMG !!! What a "page" turner.. being hooked on this series is mildly putting it.. I've got to keep reading ..

---

**Erika Dillard says**

I loved this book.
