### Miss Ryoko says

[sibling love story -\_- Though as I've been thinking about it, my theory is maybe Chocolat really isn't the daughter of Glace and Cinnamon just said that as part of her and Candy's plan to unite the ogres and witches again. Either that or somehow Pierre won't really be his descendant, even though Pierre looks just like him. That, or, because it's Japan, Pierre and Chocolat really will be siblings and they won't care because.. well, it's Japan (

### Jocilyn says

The penultimate volume in the Sugar Sugar Rune series, I was really impressed with the way the story had drawn together it's various past characters (and revealed some new ones) in preparation for the last volume's showdown.

In lettura:

è uno scoop dietro l'altro..geniale! non ce la faccio a staccarmi...  
speriamo in bene..e intanto incrociamo le dita!

Finito:

**ME-RA-VI-GLIO-SO!!!**

mi ha tenuto col fiato sospeso..e parte subito con rilevazioni shock! ma direi che tutto il volume è così! è incalzante...è pieno di amore e amicizia..e qdo Pierre sviene (o è morto?) perchè lei le prende il cuore...stavo per piangere sul treno!!! e spero vivamente che non sia suo fratello! altrimenti piango sul serio..  
mi scuso per questa recensione orribile..ma..è difficile catalogare tutto in questo momento..perchè questo manga ti trasmette mille emozioni...e dopo averlo finito ho sempre bisogno di tempo per far ordine delle idee..qdo l'avrò fatto..scrivereò un serio commento..o forse anche no...chi lo sa!  
In ogni caso..se vi piacciono le storie di streghe e magia..ma fatte bene..ve lo consiglio caldamente.
