This was a cute story but not too heavy on romance for a true romance book. Susannah and Kane were both needy in their own ways but really complemented each other. Surprised by the way the happily ever after was written but wished for a few more chapters.

Dania says

I've been looking for a really sappy romance. This was perfect.

Won't be everyone's cup of tea, I'd warn you, but whatever.

Julie C-F says

Cheesy. Cute story.

Just so so banget,sorry klo cmn ngasih 2 bintang
Salahnya gw baca novel ini stlh HQ: Man of the month yg semua porsinya pas
Kalo novel yg ini porsi gregetnya msh krg:-(

Yg bisa dipetik dari novel ini: komunikasi menjadi solusi dari masalah

Komunikasi antara Susannah dan Jackie
Komunikasi antara Jackie dan Paul
Komunikasi antara Kane dan Elliot

Mnms says

A rather sweet and silly story about finding yourself and standing up for who you are. The timeline is

incredibly short, but there's some funny episodes that makes up for it.

Alexis-Morgan Roark says

I could have used ONE "sexy" scene, but I am happy without it in this story. I sweet, typical, billionaire wanting to live a normal life for a change story with a strong, yet vulnerable heroine.

Bagaimana kalau biliuner memutuskan utk berlibur di kota kecil dan menyamar menjadi orang biasa saja? Itulah yg dilakukan Kane Lennox, CEO Lennox Gem Corporation. Saat teman baiknya mengundang dirinya utk mjd best man pernikahan, Kane langsung memenuhinya.

Siapa nyana Kane malah bertemu wanita cantik yg mandiri, Susannah Wilson, kakak sekaligus bridesmaid pengantin wanita. Kane kepincut dgn keuletan, rajin dan proteksinya terhadap sang adik. Kane tahu jika dia membongkar samarannya, Susannah bakal marah besar, pdhl selama bbrp hari di kota kecil ini, Kane sdh menemukan kedamaian yg tdk diperolehnya di kota New York. Mampukah Kane jujur kepada Susannah?

Alurnya menurut saya standar saja, so-so, model cerita ala Cinderella Complex Syndrome. Tidak ada konflik emosional yg dramatis, cenderung monoton dan datar. HEA juga dipaksakan. Andaikan twist nya lebih dipelintir, gregetnya pasti lebih ada. Jadi lumayan sajalah buku ini.
