## **From Reader Review Faithful Promises of God: Guidance for Today's Living for online ebook**

### **Carolyn says**

I won this as an e-book from Goodreads.

I was looking for a daily inspirational read, similar to Marianne Williamson's A Year of Miracles: Daily Devotions and Reflections, which I had borrowed from the library. This daily guide has a different tone and I just didn't resonate with it. It's not what I was looking for, but I appreciate the author's intentions and am grateful to have won it from Goodreads.

It's a great book very inspirational and great read in conflicted tho as it uses different versions of the Bible.

Ever since I've started to read/review Christian books, I've found it interesting how many devotional books there are. In general, devotional books are designed to increase a person's relationship with the Lord, and each one approaches this matter somewhat differently. While some might just give only a scriptural quotation for each day of a year for which readers are asked to dwell on during the course of each day; Ms. Dunn has interwoven herself and her experiences to give something for her readers they can relate to on a visual level.

Ms. Dunn in her description for this book states that these daily devotions will nourish your soul,

PSALM 119:174-175 [ESV]

"I long for your salvation, O LORD, and your law is my delight. Let my soul live and praise you, and let your rules help me."

strengthen your faith,

1 Thessalonians 3:2 [NLT]

"and we sent Timothy, our brother and God's coworker in the gospel of Christ, to establish and exhort you in your faith,"

and light the path for each day

PSALM 119:105 [ESV]

"Your word is a lamp to my feet and a light to my path."

For each day in this book the author first gives her readers a specific biblical passage to be read, followed by a brief tract regarding the passage, culminating in a brief prayer to

the Lord. And in doing so, readers should be able to enhance their relationship with the Lord and those who dear to them, which is why I've given Ms. Dunn 5 STARS for having compiled the devotions and related item in her book
