Finding Love West (A Mail Order Romance Novel)

Eliza Smithren never considered becoming a mail order bride, but after her scheming brother-in-law wants to enlist her in a new business proposition of his, she knows her time has come to leave home once and for all. She doesn't want to be a burden to anyone, including herself.

Edward Thomson sits at the train depot, waiting for his brother's soon-to-be bride to show up. When she does, he's taken back by her beauty. His feelings only start to grow stronger as he spends more time near her, thanks to his brother neglecting his new wife.

Clyde Thomson has secrets deeper than anyone could ever know. Claiming to be a businessman, Clyde soon faces the repercussions of his hidden cheating and gambling debts.

Coming to Kansas was supposed to be the journey of lifetime for Eliza... but as she finds herself falling for Edward, she discovers a secret... and she soon realizes that some debts live on.

Sandy says

Another good one in this series

Another good one in this series

I really enjoyed this book as much as the others I have read in this series. They are a heartwarming account of life in the west and the things that happened with mail order brides.

Barbara says

Eliza has a part time job to help her father support 5 people. Her brother-in-law doesn't work because he thinks he is too good for the available jobs. Her employer refuses to pay her this week because the employer's daughters broke a vase and blamed it on Eliza. George mentions his new scheme of helping women find husbands in the west and wants Eliza to be the first one. Eliza goes to a larger town that might have people looking for brides. She finds a letter she likes and she travels west to meet her husband-to-be. Unfortunately, Eliza finds more problems for herself in Kansas.

Donna says

Good book.

Lisa C. says

Stories about the Old West including those about mail order brides have always been interesting and some of my favorites. I'm sorry to say, this book was terrible.

There was zero character development, the story was all over the place and a nightmare to try and read. It was filled with childish writing, short, choppy sentences and in serious need of a proofreader. The poor excuse for a bedroom scene was just that.

Carol Greenwood says

A good story, but not the best editing.

The story line was good, ironic, but the editing was awful. The glaring poor grammar, wrong tense, wrong word really irritated the reader, me. I hope this was the fault of the book being made in electronic format, but I'm afraid it was just bad editing.

Thelma Jones says

Enjoyed this

I really enjoy the stories of the mail order brides, it was truly a fact of life and very true to our heritage. Looking forward to more stories of mail order brides.

Eileen Carter says

Good story sweet romance

The west can be wild and dangerous. Eliza needs to help her family how can she do that? Mail order brides were popular in the wild west could Eliza find happiness and help her family that way. Only time will tell
