Hobbyhorse Bonnie Bryant

Lisa's horrid, bratty cousin is staying with the Atwoods. The nightmare child acts charming around adults, but to other kids she's a menace! Now she's trying to get The Saddle Club into trouble and it's working. No one believes that little Amelia broke an expensive hobbyhorse the Atwoods own. Instead, fingers are being pointed at The Saddle Club.

Tarissa says

Another FUN horse adventure with The Saddle Club and their friends. The tables turn on our 3 favorite best friends, for a while at least, while Lisa's little cousin is in town. As always, they work out their problems together!

Hazel says

A good series for horse crazy young teens. I loved it when I was younger.
