**No Funny Stuff!** Michele Hart

Something's Rotten at the Gates of Heaven

Under conspiratorial inspiration of Olympian thrones, Thalia, the Muse of Comedy, sends a blessing of love and laughter to Drew Murphy, a young man cursed to a short and miserable life.

But when her favorite messenger Daisy Sullivan accidentally launches the magic

--wrong time, wrong place, wrong method, wrong everything!-- Thalia must force to light buried secrets of a millennia-old family curse and face down a most vengeful Immortal on his own bloody stage if she wishes to free both Drew and Daisy from an unJust fate.

Ares, the ruthless God of War, loves only one thing as much as he loves bloodshed....

How's Thalia supposed to make THAT funny?

At least, she's wearing her best sandals!

**Bitten\_by\_Books says**

Thalia, the Muse of Laughter, is a bit worried when she is called before her master Apollo while he is visiting with Athena and Aphrodite. The combination is giving her an ominous feeling and she hopes they are just in need of a good shoe recommendation and that Apollo had thought of her particular propensity for footwear...

**Katy Beth Mckee says**

Daisy and Drew were so funny together and despite all they had to overcome they had such a special HEA. I laughed and cried while reading this book. Will be looking for more by this author.
