## **Stardust Wink, Vol. 05** Nana Haruta

I'm Anna. I'm 14 years old and I've just entered the ninth grade. Sou and Hinata, who live in the same apartment complex as me, are my childhood friends and we're all the same age. I thought that from now on we'd become even closer friends, but then Sou suddenly did that to me...!!

## From Reader Review Stardust Wink, Vol. 05 for online ebook

### Usagi Tsukino says

This review is for the Italian edition.

Ok, so Nanoka it's not that bad after all, but still a bit annoying! =/

The more the serie goes on, the more I like Sou. But I still don't like much Hinata (and Anna).

03/06/2014 Update:

Dropped it. This is the last volume I've read of this manga 'cause I couldn't stand the story (and Anna and Hinata) anymore. =/

### Evee says

At this point, I seriously think Anna is dumb. The very basic talking behind your back scenario she doesn't seem to pick up. And the fact that she seriously doesn't know where her emotions lie is irritating. I don't know why I dislike her this much! I honestly love the dense type in shoujo... Anywho, she made up with Sou and Hinata was back for awhile, which made me be like SHIP SHIP SHIP but ofc I knew at this point Hinata is kinda just a roadblock for her and Sou's relationship. They're gonna end up together. Seriously like Hinata is freaking in Tokyo how's he gonna maintain their relationship? Honestly, I hope he somehow does but the chances of it are SO LITTLE now compared to what it was in the beginning. It was like that false hope kinda thing. Ah, and Beni's brother... his love story is vv interesting indeed. I feel bad for him but at the same time, I'm rooting for him. It was a side story but to be honest it was more interesting than the real one so... I don't know... I feel like this manga is just taking a more and more predictable turn. Oh, and all the guys seriously look the same. The other Hinata looks JUST LIKE Sou. I'm serious, and the only difference between Hinata and Sou is that they have different hair colors. When I looked at the cover I totally thought they were twins. It doesn't bother me too much, it's just a mere observation.

### Emiri Tachibana says

I was talking to myself as I read this wonderful volume of Stardust Wink 5 is;

"Twins seperated at birth? Gullible~"

Then I got to the end;

"Hinata, you sneaky bastard!!"

Unfortunately I said this out loud and disturbed some people nearby. Whoops! But I really think Sou should've handled that better, to be honest. He's far too blunt when he says things.

Loved it!!!

### **Soobie's scared says**

Mi sa che il personaggio di Nanoka non ha aggiunto nulla alla storia. Non so, sembra che questo personaggio tiri fuori la parte più stupida di Anna.

Per il resto, siamo il manga è un po' migliorata rispetto al numero scorso.

### **⌘ (t.c) (hiatus: school) says**

I gave up this series after this point. Was tired and annoyed of Anna and her constant going back and forth and blah blah blah -\_\_- I pity the boys 'in love ' with her :/
