- I do housework very hard to be considered as a good woman by her father.

- I am absorbed in doing something to forget him.

-Good scene

The scene that Raffel worked hard and bought a gold ring to be considered as a hard worker by her father. It means that he loves her deeply! I think money is not as important as one's personality.

-Story

Rafael was a kind and hard worker, but one day he became mad! Why did Rafael become mad? The story is mystery and love story.

-Discussion questions:

1. Do you think love sometimes makes people crazy?

-Yes. There are people who try to kill their lovers because they are afraid of being stolen their lovers by someone.

-No. I think he/she has two faces like Anita in this book. Giving only good things makes people proud and lazy.

-In this story, Rafael's father was killed by a shark, so Rafael like to kill sharks. What do you think of him?

I think he is completely mad. Because the sharks he killed were not the shark which killed his father, so his action doesn't mean anything.

-He loved a beautiful girl of his village, but she eloped with a solder, so he was broken heart. What is the best healing for you when you are broken heart?

Even if my lover has a girl friend, and i am broken heart, I will tell him that I loved you and I may be not able to forget him for a long time. But I will try to find a new cool guy.

## **Angela Soegijono says**

The story of a madman, Rafael who loves a girl, Anita, very much. He kills the man who steals the girl's heart. Unfortunately, what he does, makes his loved one dies.

This is a teaching book from Cambridge. The stories inside are easy to understand.

---

## Sukyna says

Bernard Smith wrote this story as a teaching book, so the language was easy to understand, and the plot was not that sophisticated but highly enjoyable.

Anita was loved by everyone and especially by Rafael and Carlos, but she couldn't belong to both of them at the same time, so it all ended up with a lot of damage to every living soul in their village.

I would recommend this book to everyone, especially to those who are new to reading English books.

Have you met the person who you became mad?

>No, but I feel I want to meet the person who I fall bead over heels in love.

If the person who you fall in love is not interested in you, what do you do? Do you give up your love?

>That's a difficult question but I want to continue to love if I can do it.

At first, i thought this book looked interesting and romantic story but actually it doesn't. This book's title became very important keyword in this book. I want to fall in love the person who I will be mad at least once.

## Nastya JK says

Me lo dio mi profesora para leer en inglés. Es muy cortito y me gustó mucho, y el inglés (por suerte) fue muy fácil de entender.

Cuando me lo recomendó me dijo "tiene misterio, amor, traición, muertes..." y yo pensaba *no puede tener todo eso en tan pocas páginas pero sí lo tiene. Y fue genial.*

Cuando leí de qué se trataba me llamó mucho la atención y después de leerlo no me decepcionó.

Una historia muy corta pero interesante. No me esperaba casi nada de lo que pasaba y me tenía muy atrapada.

## Satomi says

As this book is for pre-intermediate English learners, the English is very easy. I am impressed at this dark story written very simply, but mysteriously. I will give this book to my son, but i doubt he will read it...

## **Priscila says**

Puede ser que no sea más que un cuento para aprender el idioma, pero esta pequeña historia me llegó al corazón. Al leerlo no dejé de sentir angustia y tristeza, sobre todo cuando todas las piezas del rompecabezas se unen y revelan el crudo final. Me gustó el escenario que planteaba el libro y las respectivas personalidades de los personajes. Pero sobre todo, la que más me llamó la atención fue la de Anita, la cual rompe cualquier estereotipo de la típica-mujer-soñada, con serios problemas de atención y una desmedida obsesión porque su vida sea un cuento de hadas. Me encantó y tenía todo lo necesario para ser especial.
