A Cold Day in Hell

Terry C. Johnston

A Cold Day in Hell Terry C. Johnston

Veteran Indian fighter Seamus Donegan joins the hunt for Crazy Horse, the elusive Cheyenne warrior chief who's putting the cavalry to shame in this continuing saga of the Great Indian Wars.

Johnston brilliantly recreates the Dull Knife Battle of 1876.

Mark Luongo says

A dramatization of a harsh, brutal winter campaign where men are not only pitted against each other but against the elements as well. The description of the dead draped over mules and becoming frozen in that position is particularly appalling. The suffering of the horses and mules is made clear too.

But it is the relentless policy of the subjugating the Native peoples that is the crux of what the author is writing about, the inevitable destruction of a culture. Kind of apropos what with the Standing Rock demonstrations going on right now.

Johnston does a nice job of incorporating and bringing to life a number of historical personalities in his story. Frank Grouard, George Crook, Ranald McKenzie, John Bourke, Crazy Horse and Sitting Bull to name a few. Of course, the story is seen through the eyes of his main protagonist, the scout Seamus Donegan.

Jerry says

I felt this was one of the better books. I liked the way it went from the soldier to the Indians views.

Bob Cantrell says

Like the title says a Cold Day in Hell. Plan on reviewing whole series when finished.

Shawn says

The book that got me hooked on Terry C Johnston. It is an incredible story that is incredibly told by a master storyteller.
